Windellama Garden Club

Our Cancer Appeal will be held as usual at Beryl Kremers' "Quialigo" Windellama Road. On the 15 August, starts at 10.00 am with monster cake auction, coffee, chocolate wheel and stall. Hot lunch available for $7.00

The theme this year is pink, so wear something pink—men too. This is a fun day and well worth supporting. We raised $2000 for the McGrath Foundation last year

---

Our next meeting will be at Dianne James', McGaw Road, Windellama on 5th August at 10.30.

Due to lack of attendance and support, we will no longer be holding our Country Fair, as we believe it is too close to the Field Day. Instead, we will hold a craft, art and flower exhibition in the Hall early next year.

Secretary

Main Road 92 Upgrade, Nowra to Nerriga

The contract to complete the final stage of work has been awarded to NACE Civil Engineering Pty Ltd. The final stage of the project will deliver 20 kilometres of upgraded road from Tianjara Falls to Billy's Hill near Bulee Gap. This final stage will link the first two stages of work and will improve the steep incline east of Sassafras.

The final stage of work is expected to start in July 2009 and be completed in late 2010.

Stage two, the nine kilometres from Bulee to Nerriga, is nearing completion and expected to be open to traffic in August 2009. A $22.5 million contract for this stage of the upgrade, from 44 kilometres west of Hames Road (near the Touga Road junction just east of the Bulee mountain area at Billy's Hill) to Nerriga, was awarded to NACE Civil Engineering Pty Ltd in July 2007.

The second stage includes major improvements, widening, realigning and sealing to the existing steep and narrow section from Bulee Gap to the Endrick River. The work includes a new four span concrete bridge near Bulee Gap and high retaining walls. Over 7.5 kilometres of new pavement has now been sealed.

For all enquiries concerning operational matters relating to Stage 2 or Stage 3 construction activities, please call the NACE Civil Engineering Pty Ltd site engineer, Merv Eagle on 0424 667 174, or the project supervisor, Bob Meins on 0412 464 866.

Motorists are advised to drive carefully on the remaining sections of gravel road as the road conditions are variable. Particular care should be taken in wet weather as unsealed sections of the road can become slippery.

WINDELLAMA PROGRESS ASSOC. HALL Inc.

Following the cancellation of our June meeting, there was a large attendance of members at the July meeting.

The Outreach meeting, which was organised by Goulburn Mulwaree Council, was very well attended by councillors, council staff and community members. Following a presentation outlining work planned for the Windellama area, many questions were asked, most relating to the condition of the roads. Any queries which couldn't be answered were taken on notice.

A date was set for a working bee to prepare the area needed for a sheep dog demonstration at the field day. Further details are elsewhere in the News.

Remember the date – Sunday 20th September. The monthly markets will incorporate a "Car Boot Sale".

The weather will be warming up by then and we hope to attract a large crowd of buyers and sellers. Further details will follow.

The Garden Club has cancelled their Trivia Night and some avid trivia buffs have asked the Progress Association to take up the slack. We hope to be able to organise the night for September. Further details in the next issue of the News.

Our next meeting will be on Monday 18th August at 2 p.m. All welcome.
