Windellama Garden Club

Our stall and floral display at the Field Day was very successful; lots of interest in the flowers, especially the Irises. Good work from the three members who were there all day.

Our day to the nurseries at Moss Vale and Mittagong area went off really well; had a lovely day out, plenty of bargains, (lucky we had a ute to load to come home!), nice lunch and the weather was perfect.

Our xmas lunch will be at the Centretown Restaurant on the 8th December.

We will have a break for xmas and then we will be working towards our Art, Craft and Flower Show in February.

Merry Xmas to all from our Garden Club members.

Windellama School P & C

Winding down for the year

After a hectic October and November, December looks set to be relatively quiet for the P&C. Our main priority will be preparing for presentation night on 13 December.

Setting up, bbq-ing and packing away does take a little time, so if any parents can spare an hour or two that afternoon, please contact the school and let us know your availability.

Before that however, we'll kick start the annual wish list at our December meeting. Teachers, staff and parents are all invited to put forward their ideas for items, projects or activities that the P&C should consider funding. The aim is to look at items we may be able to fund now and also to identify targets for 2011. Come along and have your input. The meeting is our last one for the year and will be held on Monday 6 December, 6.30pm at the school.

Happy holidays everyone!
