Coming Events...

Annual Subscriptions - please send your details and \$25 (cheques payable to 'Windellama News') to cover the annual cost of postage.

All cheques please post to:

The Secretary, PO Box 705, Goulburn. 2580

* Unpaid subscriptions will be cancelled after one month

If you have any short articles, anecdotes, or something else interesting about yourself, your family, or the community; please write it down and drop it in our letterbox at the Hall. We will edit it and publish it in the Windellama News.

A LOCKED POSTAL BOX IS AT THE FRONT OF THE HALL, 3444 OALLEN FORD RD, IN THE STONE WALL FOR THE COLLECTION OF ITEMS FOR PUBLICATION

Items left in the box after the deadline will not be collected or included in the News

Articles, adverts, etc may also be sent by email to:

newswindellama@gmail.com

Adverts sent by email will not be inserted unless payment is received by the deadline.

Our Policy on Receipts

The Windellama News makes out a receipt for all advertising payments made to the paper. We don't post out receipts to save cost and we assume that the appearance of the advertisement in the paper could normally be taken as proof of payment. If you require a posted receipt please include a stamped self-addressed envelope with your payment.

It would be greatly appreciated if anyone sending money to the Windellama News would include their name and address and a note saying what it was for and put it in a sealed envelope. This would avoid a lot of confusion and uncertainty .

WANTED— Work with **Windellama News** Team as an EDITOR. Knowledge of Microsoft Publisher an advantage, but not essential. Work from home and make your own hours. Volunteer position. Call Lyn Jones (4844 5843) or Christine Woodcock (4844 7275) or Gayle Stanton (4844 5156)

Market Stall Tarago

Sat 30 April - Craft, Art, Produce Seasonal (CAPS) Market in Tarago, at the Tarago Town Hall, 9am to 2pm.

> Enquiries to 0429 200 456 or CAPSmarketInTarago@gmail.com

St Bartholomew's News

The services for St Bartholomew's church will be on Sunday 10th and 24th April.

The service on 24th April (Anzac eve) will be Holy Communion, followed by a memorial service conducted at the war memorial in the church grounds.

The congregation at St Bart's would like to extend a sincere thank you to Chulk Malkins for keeping the church grounds in such clean and tidy order

Craft @ Windellama Hall

We meet from the second Tuesday of the month 1—4 pm.

For more information please call Irene Turner on 48445 214.

Wanted: Handyman/Gardener

Approximately 1 day per fortnight. Windellama area. General household repairs and maintenance, light gardening and perhaps a bit of rural fencing repairs from time to time. Must be a fairly fit and a competent 'jack of all trades'. Payment will at least equal Award rates.

If this is what you're looking for, please email your contact details to gvjc25@gmail.com. Please feel free to add any information you feel might be helpful.

Upcoming **Mulwaree Arts** play to be held in Marulan Hall on Saturday 2nd April 'Cheerful Chekov' at 6:30. Dinner & show \$30 pp. Book a table on 48411569.

Tarago Preschool Opportunity

Tarago Preschool is looking for a casual employee for relief work with the possibility of a regular shift in future. Must have Cert III or Diploma in Children's Services. More detail please call Helena at the Preschool 4849 4427

Mobile Phone Towers For Windellama Update

Last month I received a phone call from Angus Taylor's office confirming that the Windellama Mobile Tower was definitely scheduled for completion in 2016. I will be following this up and hope to have more information for next edition of Windellama News.

BIG READ BUS Mobile Library Service!

Goulburn Mulwaree Library is very happy to announce an exciting new service—a mobile library! Keep an eye out for our brand new 'Big Read Bus', which will soon be providing lots of wonderful new services to your community of Windellama.

The mobile library gives you fast and easy access to a range of library services. Library members can borrow adult, young adult, children's and large print books, magazines, audio books and download e-books and audio e-books. The van will be fully WI-FI enabled and our on-board librarians can help you to access online resources, such as YourTutor and Encyclopaedia Britannica, which are provided by the library free of charge.

We hope, in time to have programmes and activities to further support the needs of the community, such as story time for pre schoolers, and pop up learnig sessions for family historians. You can also visit the mobile library to find our what events are occurring in your community and throughout the Goulburn Mulwaree area. We hope that as the Goulburn Mulwaree Library is the heart of the community the van will be the pulse.

The Goulburn Mulwaree Library will have a membership drive on **Wednesday 13th April at the Windellama Hall between 1.30—2.30 pm.** All members of the community are welcome. We're looking forward to bringing our 'Big Read Bus' to you soon, so become a member o the library and take advantage of this new service.

Our new mobile library has been made possible through the State Library of NSW, the State Government Public Library infrastructure Grant, and the Library Council of NSW.

March Meeting

This month we met at Bruce & Doreen's property at Run O'Waters in warm & sunny weather. Bruce reported he had sprayed Baythroid to kill Christmas beetle & sawfly larva infestations on a lot of native trees along the fenceline that had been ailing for quite a long time but they still died, probably due to stress from defoliation and extreme heat. He is considering planting something different next time. Cherry slug is all over their Manchurian Pears. Better news - Bruce & Doreen's tomatoes are watered twice a day, 7am & 7pm, and they've had a massive crop (of course the living mulch also helped – see photo). Doreen has made bottles of delicious semi-dried tomatoes and was happy to share her method: Cut them in half; place close together on baking tray; sprinkle castor sugar, olive oil, rock salt, garlic, basil & mint over; leave in 120°C oven for 6 hours. They've also had huge crops from just one small nectarine tree (see photo), using Seasol and water only, but Doreen did threaten Bruce with the harvesting basket if he brought her one more nectarine – sad but true.

Irene & Lloyd grow their veggies in raised beds, mix of ½ mushroom compost & ½ garden soil (from Shepherd's Hill nursery at Marulan), mulch (to prevent evaporation) and Irene recommends you practice crop rotation. They water only once a day and get loads of veggies.

Joy said all the veggies she planted marigolds underneath had no white flies but everything else had clouds of them – she recommends this companion planting. Joy says her secret to good carrots & beetroots is to plant seeds on tape and keep them wet. She has also made some nice fig jam lately in the microwave.

Bridget made tomato jam with her large tomato crop. She has problems with her lemon flowering but not fruiting. Need to feed now, water and mulch well. In our area Meyer lemons are the best type to grow and it's better to grow citrus in large pots rather than in the ground. Suggestions also to plant citrus next to a wall or shed or tank for protection and transfer of heat. Much merriment over the many suggestions for the men to pee on it (it does help according to other garden experts).

Barbara has just come back from a trip including Orange World in Victoria where she said all the staff pee on the trees and they get the best fruit. They also bring in many beehives from Queensland, leased for just 2 weeks, to ensure good pollination throughout their orchards.

BUSH FIRE DANGER PERIOD FINISHED ON 31st MARCH 2016

SOUTHERN TABLELANDS ZONE

Burning-off now permitted with regulations:

While the fire season has finished and permits are not required for burning off from the 1st April 2016, there are still regulations that must be followed. Fines can apply if regulations are not carried out.

Yass MUST be notified 24 hours before you light the fire, during business hours 9am to 5pm and by 3.30pm on Friday afternoons, phone 6226 3100.

Your immediate neighbours must also be notified.

Notify the Brigade as a courtesy to save time, if smoke is spotted, phone 4844 5359.

For more information contact one of the Brigade phone numbers above.

PERMITS ARE STILL REQUIRED UNTIL 1st APRIL 2016

COMING EVENT - BRIGADE AUCTION 23rd APRIL 2016

Brigade Auction to be held on the 23rd April at the Windellama Hall & Grounds. So now is the time to get together all those unused goods as they could be exactly what someone else is looking for. If you can spare some time to help in the office please contact 4844 5359 as much of the setting up and work is done on the day before as well as on the day. **Become involved in your community and be assured your assistance and efforts are greatly appreciated.**

Notice: A interim charge of \$20 will be required for auction items such as fridges, air-conditioners and tyres when selling these goods. The \$20 charge will be refunded from the office when these goods have been removed from the grounds. We thank you for your assistance in this matter.

Over the Last Month

The Captain Rex Hockey advised that there were two incidents over the last month. **1)** Small fire at Stewarts Crossing. **2)** Another truck roll over on Sandy Point Road.

Training

If you wish to take part in the Windellama Brigade training or be contacted by email regarding the monthly training details visit the Brigades website and send an online contact form or email windellamarfstraining@gmail.com. For information on training dates, times and scenarios check the Brigade website or contact the Captain Rex Hockey 4844 5147

Goulburn and surrounding areas

Windellama Garden Club Incorporated

Hi Everyone!

Our last meeting was held on the 14th March at Keith Roach's home on Clay Pit Rd. Thank you, Keith, for opening your home to the Club.

At this meeting we discussed things to do for the year. We intend visiting a lot of different gardens this year as well as a trip to Cowra to visit the Japanese Gardens.

Also on the agenda for this year:

30th June: luncheon called "Pot Luck"

13th August: CanAssist cake auction day

13th October: High Tea

1st November: Melbourne Cup Lunch

5th November: Field Day Stall

9th December: Christmas Party

It is going to be another busy year for us but we are looking forward to it. Our next meeting will be on 12th April at Harry & Tanya's. All welcome. For details please call me on 4844 5128.

Happy Gardening

Ros Woods

Windellama SES First Aid & CFR

Hi folks!

We had about the same number of call outs for March, as most months, some rather serious. We must all appreciate the Helicopter rescue teams that are attending, whenever required.

Our new year of training is upon us, so we will have to put our thinking caps on. We are fortunate to have some new members starting their introduction in to the protocols of the SES and hopefully later the CFR.

There was another roll over on the "bad bend" on the Sandy Point road.

Good cheer to you all with Easter and then Anzac day not far down the track. Make sure you stay safe over this period.

Kevin Muffet

As the nights cool down you can plant vegetable ready for winter.

VEGETABLES;

Broad beans (prefer a cool climate to grow in). Before planting give the soil a good liming and also add some old manure or blood and bone.

Peas, Greenfeast should be sown in two rows close to each other for support. Grow Telephone climbing peas on a fence or mesh support, they produce a big crop. They prefer a soil which has had a light dressing of lime and complete fertilizer.

Cabbages, and onions mainly white.

FLOWERS;

Seedling available now; Alyssum, Canterbury bells, carnations, cornflower, delphinium, dianthus, hollyhock, russel lupins, pansy, viola, primula, snapdragon, stocks and wallflowers.

Seed of sweet pea can now be sown, prepare the soil the same as the vegetables peas. When first planting give them a light watering (if your soil is damp), and no more until they appear through the ground. Sweet peas look good falling from a hanging basket, make sure you use good potting soil with some water crystal added.⁸

Now is the time to order your bare-rooted trees, fruit trees and shrubs. Roses should also be in your nurseries.

You can plant asparagus, and rhubarb crowns. Prepare the soil with old compost and manure.

Before planting fruit trees, prepare a circular area with a radius of about 1m- that's how far the roots will spread in the first few years. If the soil is heavy, dig in some compost, too and then create a mound to assist with drainage. The compost will also help in sandy soil. Let it all rest for six weeks or so before planting.

This is the time to plant spring-flowering bulbs.

Feed repeat flowering roses while they are still in active growth, dead head the old flowers.

Remove any leaves with black spot and bin, avoid overhead watering to reduce spread.

Camellias should soon bloom, if the soil is dry give them a long slow drink. Apply a liquid fertilizer for flowering plants over the moist soil, for a speedy boost of nutrients, then top up the mulch around the plants.

Many perennials that have finished flowering are starting to yellow and die back as they get ready for winter dormancy. Cut out spent flowers stems and tatty growth.

You can dig up clumps of perennials and divide and replant elsewhere in the garden. Improve your soil with compost before planting, keep the divisions moist and apply liquid seaweed once a fortnight to encourage speedy root growth.

Better Barbeques

Report from Windellama Progress Association

At the March meeting of the Progress Association we welcomed another two new members – Donna Edworthy and Keith Roach. It is fantastic that our membership numbers are increasing every month!

A big thank you to Bunnings Goulburn who donated paint and two workers to paint the exterior south wall of the hall. This is a Bunnings initiative which comes under the “Paint your Hall” program. Thank you also to Graham Kinder who was instrumental in gaining this support from Bunnings.

Keep an eye on the Windellama Hall each time you pass as it is getting a much needed facelift. Picket fencing is being installed around the front garden area and also the oval. The front gates are being sandblasted and repainted.

The ongoing drainage problem has eventually been rectified and also the septic system now works as it should.

The next meeting of the Progress will be held Saturday, 9th April at 4 pm.

Everyone is welcome.

Geoffrey Charles Edwin Meredith (Part One)

Windellama's Racing Car Driver

Who was Geoffrey Charles Edwin Meredith, winner of the first Australian Grand Prix for cars?

Initially nothing was known of the man other than an obituary in the Goulburn Evening Penny Post of 29 June 1928 mentioning his death on 13 June 1928. From this it was gleaned that he was born about 1902.

Extensive research in NSW and Victorian records failed to find a birth for Geoffrey Meredith. Was he born overseas?

A researcher in Queensland searched the records there using various means and came up with a Geoffrey Charles Edwin **COX**, born 16 September 1901 at Beenleigh. The parents were listed on the birth certificate as Henry James Cox and Marie McKay but it was found that they were married in 1889 as **COCKS**.

Geoffrey appears in the Geham school attendance books with entries for Geoffrey Cocks from 1907 to 1912. Geoffrey then obtained a scholarship in February 1915 to Brisbane Central Technical College High School (admission register shows him as Geoffrey Cox) where he completed schooling through to the end of 1919 (Fifth Year).

On 9th November 1922 Geoffrey Charles Edwin Cox signed a Change of Name Deed Poll renouncing the use of that surname and stating that he would henceforth use the surname Meredith. His residence is given as "of Mitchell Plains near Cunnamulla".

Nothing is known of his early life until he appears in the Electoral Roll at Delegate in the Monaro district in 1925. He was managing a property, "Corrowidgin" for Albert and Violet McKay of Wallendibby. Geoff was to have a lifelong association with the McKay family. There is no evidence suggesting any link between Geoffrey's mother's McKay family and the McKay's of Wallendibby Station

When Albert McKay died in 1925, his widow and Geoff Meredith moved to another McKay family property, "Buburba" at Windellama near Goulburn.

About this time Meredith appears to have acquired a Brescia Bugatti which he raced at Maroubra speedway on 5 December 1925. Sometime about June 1926 while still owning the Brescia, Meredith took ownership of the ex AV Turner Type 30 straight 8 Bugatti, Turner having been killed in the car the previous month. This car was manufactured about September 1923.

He was the Vice President of the Goulburn Motor Club and raced both the Brescia and T30 Bugattis at the Maroubra and Penrith speedways with limited success, often winning heats but very often the final event.

Geoff Meredith and also Violet McKay didn't stay at Windellama for very long as 1927 finds Geoff at Coogee in Sydney, possibly to be closer to Maroubra speedway. He probably still had an interest in Goulburn and possibly the Windellama property as he entered the Australian Grand Prix to be held at the Goulburn racecourse on 15 January 1927.

Tom Bryant 14 February 2016

To be continued next month.

SOUTHERN TABLELANDS BRANCH

ALL BECAUSE OF AN IBIS

By Kay Muddiman – Media Officer

In 1985 an injured ibis was found in Hyde Park, Sydney. No organisation, government or conservation group could be found to take responsibility for its care. Other animal welfare groups, such as the RSPCA, were not experienced with the needs of native animals, while the only suitable government agency, the National Parks and Wildlife Service (NPWS), did not have the funding and staff levels needed to cope with injured fauna.

In response to this glaring need for a native wildlife rescue service a small group of private citizens joined together to take on the responsibility and, by learning from one another, built up the knowledge and experience to meet the unique needs of Australian wildlife. They established a coordinated network of volunteer wildlife carers and rescuers which grew quickly, and in March 1986 the New South Wales Wildlife Information, Rescue and Education Service (WIRES) was officially launched. So, this month WIRES is celebrating 30 years of helping injured and/or orphaned wildlife in our state. Happy 30th Anniversary WIRES!

In 1987 it was incorporated as a non-profit organisation, which works closely with veterinarians, zoos, the NPWS and other animal welfare organisations.

WIRES presently has 27 branches with over 2,000 volunteers statewide. The WIRES mission is to actively rehabilitate and preserve Australian wildlife and inspire others to do the same. Since 1986 it has provided rescue advice and assistance for well over 500,000 birds, 138,000 possums and gliders, 128,000 snakes and lizards, 74,000 macropods and mammals, 29,000 flying-foxes and bats and 13,000 raptors.

Our local Southern Tablelands branch has a long history too, being established only three years later in 1989, and at 27 years is one of the oldest regional branches. It presently consists of 75 volunteer members. We man a 24 hour 'phone rescue service 365 days a year, along with rescuing and caring for injured and/or orphaned wildlife, rehabilitating them for release back into the wild. We respond to a large number of calls - during the period of one month this summer we attended and rescued a total of 73 animals. The breakdown of these rescues was: 1 insectivorous bat, 19 macropods; 3 possums and gliders, 2 other mammals, 16 parrots, 1 waterbird, 9 other birds, 2 unknown birds, 13 snakes, 4 lizards, 1 turtle and 2 unclassified.

WIRES is almost totally reliant on fundraising by its member volunteers and public donations. The costs are huge, and include fuel for rescues, equipment, animal/bird enclosures and so on - not to mention food and medicines. The cost of caring for the animals - especially long term creatures like joeys, that can be in care for up to eighteen months, is considerable. The cost of their special milk formula alone is massive. Volunteer raised branch funds only make up

Ni & Alan have lots of roses blooming at the moment. Ni asked if you could propagate wisteria from the new long strappy canes – answer was no, but it’s easy from seeds, although you could try layering a cane and, when it grows roots, separate it from the main plant and plant up the new one. Doreen loves her wisteria growing up a dead tree (photo).

Caroline & John’s green genoa fig which they pruned drastically has put on good growth and is covered in figs. They also have a very small peach tree with normal size fruit on it. They have a heap of small sweet grapes but their crab apples are turning yellow, perhaps due to change of season.

Following last month’s visit to Bungonia Creek Winery, Liz-Ann found an article on Southdown sheep which they use in the vineyards and another article on how to make a wicking bed, for anyone to borrow and read. We waved goodbye to Bruce & Doreen with our horseradish roots newly extricated from their veggie patch.

Our next meeting will be at Doug & Jackie’s property at Lower Boro on Tuesday 5th April. As always, everybody is welcome.

Liz-Ann

a fraction of these expenses, the bulk of which are paid for by the carers themselves. In addition to the financial aspect, it involves an immense amount of unpaid time and effort on the part of our volunteers, not to mention the emotional costs when sadly, despite our best efforts, we cannot save an animal. However, the successes make up for this – it’s hard to describe the joy of seeing an animal you have saved and/or raised reclaim its place in the wild.

For help with injured wildlife please ring our Rescue number – 4822 3888, our volunteers will be only too happy to assist.

Until next time – take care all.

Kay

Just a sample of the animals cared for by our branch, all eventually successfully released.

Top – L to R: *Joey Eastern Grey Kangaroo with broken leg; Sulphur-crested Cockatoo with broken wing; orphaned Joey Wombat.*

Bottom – L to R: *Tawny Frogmouth with damaged wing from barbed wire entanglement; orphaned Flying Fox pup; orphaned joey Ringtail Possum.*

Marulan Cemetery

Late last year Goulburn Mulwaree Council refused an application from the Al Mabarrat Society for an Islamic Cemetery in Marulan. That determination has been appealed to the Land & Environment Court with the applicants determined to go against community concerns and wishes and proceed with the development of this cemetery.

Council is now preparing its defence to its decision and have filed five expert reports in relation to traffic, bushfire, Aboriginal Archaeological Heritage, plan of management and permissibility. Council is also taking a very strong stance that this application is not permissible under the Council's current LEP.

We understand that the Land and Environment Court hearing will commence on the 2nd of May 2016 at 9:30am onsite in Marulan before resuming at Goulburn Local Court. The hearing shall then resume in the Land and Environment Court in Sydney on the 3rd of May 2016. Council will make a very strong case to not only defend its decision but also to ensure that the community is heard by the Court.

HARMONY DAY

This term we have been working on a geography unit called 'A Diverse and Connected World.' This has been a whole school unit where the older students buddied up with the younger students as well as buddying up with students from Breadalbane, Collector and Tirranna Public Schools. Over all, students researched 18 countries in our region. They emailed each other and liaised with one another about things they were learning and creating.

Windellama then held a Harmony Day which was attended by the other rural schools. This was a fantastic day of team work, where everyone enjoyed sharing their knowledge and learning about other cultures. Students made many interesting things from the country they studied, they learnt a bit of the language and Monique dressed in a traditional dress from Vietnam.

Students had a passport and after visiting each country they had their passport stamped with the flag of that country. Each school made an international dish to share. We had Vietnamese rice paper rolls, Chinese fried rice, Japanese Sushi and noodles from the Philippines. It was all very tasty and we look forward to Harmony Day next year.

Preparing for Goulburn's Waste future

Goulburn Mulwaree Council is committed to the upgrade of our Waste Management Centres and the subsequent operations. A long-term waste management business plan is currently being prepared; this will provide a funding model to ensure waste services are provided effectively and efficiently well into the future.

This will include the investigation and planning of options at Goulburn such as a new landfill cell, development of a modern transfer station facility and improvements to amenities. This will create a more user-friendly, accessible facility for the region. These projects will be developed over the next three years; Council has allocated \$3.2 million to the exercise, and this is fully funded from cash reserves.

In 2015, Council announced an extremely positive and visionary budget for the following three years; this was unanimously approved by Councillors in June of last year. The budget significantly increased the capital works program from previous years to address many issues that were not meeting community expectations.

In 2016, Council has in its budget deliberations to date not only confirmed that four year direction, but continued to expand on it with innovative, exciting projects such as new waste management facilities. The current budget will be considered by Council formally at its next meeting on the 5th of April. Council continues to seek engagement and feedback from our community, and the budget will be released for public deliberation over the April and May period.

Council in conjunction with its recycling contractor - Endeavour Industries - have been asking the community through a media marketing campaign to take more care with what it places in the yellow recycling bins. Overall our community uses the yellow lid recycling service very well; however we do experience contamination with nappies, food and many other non-recyclable materials. Council and Endeavour Industries are working to improve this by, for example, placing stickers on contaminated bins. These bins then become the responsibility of the resident to empty.

Recyclable materials placed in tied up supermarket style plastic bags also cause problems and cannot be opened under work health and safety laws. That's because the contents are unknown and many in the industry have been injured by needles and other very sharp objects; this is a community responsibility and Council recycling efforts are as only as good as the community commitment and willingness to act responsibly.

Council acknowledges that up to 40% of materials collected in the yellow bins is not recycled. This is for a variety of reasons, which includes the contamination issues and that some materials have limited market value such as green glass bottles, steel cans and grade 5 and 6 plastics. Council is concerned that of this 40% transferred to the landfill by Endeavour Industries; more effort could be made to better deal with potential recyclable products. Council believes that up to 70% of that 40% material transferred to our landfill could be recycled and that Endeavour could improve its operations to comply with its contractual obligation to the community, which Council understands they are attempting to do.

Councillors believe that protection of our environment is paramount to achieving excellence in community outcomes for this and future generations; we are committed to recycling.

The ANZAC sub-committee of the Tarago Progress Association is preparing for the Dawn Service and Gunfire Breakfast.

There will be an emphasis on those of our district who served in WWI and other conflicts, while also commemorating the Service Personnel of the Royal Australian Air Force.

In light of the terrible sacrifice by all peoples in war the Committee is especially mindful of Australia's men and women who have contributed to making the world a safer place through their service in many peacekeeping missions.

The Dawn Service will commence at **6am** at the Memorial in the recreation area followed by the Gunfire Breakfast in the Hall. Recent arrivals in our community are most welcome to attend.

History of the Dawn Service and Gunfire Breakfast.

The first official Dawn Service was held at Sydney's Cenotaph during 1928. The simple ceremony was for veterans to assemble before dawn for 'stand-to' and two minutes of silence. Nowadays, all are welcome, and the Dawn Service has grown in popularity and in meaning for the community.

Many communities follow the dawn service with a 'traditional' gunfire breakfast.

'Gun Fire' is a British tradition and was:

... the usual term for the early cup of tea served out to troops in the morning before going on first parade, whenever possible. In the War [WWI] recruits in training always had 'Gun Fire' supplied to them, the work before breakfast being found particularly trying. The morning gun in a garrison town suggested the name probably.

The 'gunfire breakfast' seems to have evolved from the above, and comprises whatever is available at the time — it could be 'coffee and rum' or 'stew, sausage and bread', or even 'bacon and eggs' (which is served by the War Memorial for their 'gunfire breakfast' on Anzac Day).

Windellama Brigade Auction

**Windellama Hall & Grounds
23rd April 2016**

(Cnr Windellama and Oallen Ford Roads)

DAY STARTS 7.00 AM

Update on Windellama Landcare; Our next Working Bee

Hello Everyone!

It seems the hot weather is starting to turn, and that means that Windellama Landcare is getting ready to put our working boots on and really crack into some projects for the year. We've already got a couple of working bees on the agenda, and we'd love to have anyone interested come along.

The first working bee is at the end of April where we'll be finishing a project started a couple of years ago with a fencing job on Budjong Creek. We'll meet on-site at Budjong Creek at 9.30 on Saturday the 30th of April for a cuppa before we all get started.

The second working bee is in May where we'll be revisiting some of our previous project sites to see how they're doing after the work is done. For this one we'll be meeting up at Landcare HQ at 10am on Saturday the 28th of May before heading out to various past sites in the area. This one is a great way to get a feel for what Landcare does, and we'd welcome anyone interested to pop along.

We'll look forward to seeing everyone there.

Kind Regards,

Jade Kinder

Secretary Windellama Landcare

A somewhat mixed up Braeburn apple

As seen in the attached pictures my Braeburn is having a senior moment and has 2 maturing apples that set in Spring as they should. Then it suddenly sprang into blossom and has set fruit in the past week a couple of which are getting a reasonable size. Lots more blossom and the bees are visiting. I guess I need to remove all the new fruit and blossom but even then it may not fruit next year. Has anyone else got this happening? Any ideas of how to stop it recurring?

Nerriga Gardeners

Nerriga Garden Club had a day out at Sue Patrick's garden which has come ahead in leaps and bounds since being a building site about 2 years ago. The vegetable beds which were constructed and filled last winter were in full production although the one that got a bit of a short ration of compost and soil was being slow and producing weedy plants, we suspect the underlying soil is compacted and clay. Her herb garden was wonderfully neat and well stocked and we all nicked lots of basil and tarragon. Her back verandah was well stocked with Di's pot plants while she moved house and have flourished with Sue's TLC. Careful Di they may sulk when taken home to Nowra! She also has a superb *Eucalyptus lacrimans* in a large pot and has succeeded in germinating both the round leaf tea tree from the top of Sassafras and some *Clematis microphylla* from the creek lines on the property. On arrival after coffee and cake we set out in a convoy to go and look out over the confluence of the Corang River with the Shoalhaven as it enters its gorge. There seemed to be a reasonable amount of water in the Shoalhaven with several enticing looking rapids but I suspect that close up they are big drops and not so easy. The way down to the rivers is steep and the bush quite thick but Sue reports that in Spring the whole area turns yellow with the bacon and egg flowers. She also got us to smell crushed peppermint gum leaves and identified a lot of the gums for us. We then had a sumptuous lunch and inspected the garden.

Our next meeting is on April 13th when we have been invited to Jervis Bay to look at 3 gardens belonging to members of the Jervis Bay garden club. We will meet in Nerriga probably at Winrock at 8-20 aiming to leave at 8-30. Further details from Kay Hamer on kahamer@activ8.net.au or phone 02 48459021 after dusk or leave a message.

For your information Braidwood garden club are organising a bus to view 2 gardens in Crookwell on Thursday 14th April at \$40 for members and \$55 for non members and payment/booking is at Bendigo Bank in Braidwood from 23rd March until 8th April. There are also open gardens near Cooma and Nimmitabel and details are on the my opengarden website which has taken over some of the functions of the open garden scheme which folded last June.

Lowline Cattle

A small beefy, Angus derived breed – quite & easy to handle.

Why Lowlines?

MORE BEEF TO THE HECTARE

- ✓ smaller size means easier handling ✓ higher stocking rates
- ✓ low birth-weights ✓ early maturity ✓ compact bodies
- ✓ excellent feed efficiency ✓ less stress on fencing ✓ less soil compaction

Great for first time cattle owners of any age and gender

Hello Everyone,

Our next big day at the museum will be the Fire Brigade Auction on the 23rd April; our display will be on our local fire brigade plus lots more.

We have lots happening this year, with the main endeavor to be the completion of the shed at the back of the museum so we can display our old farming equipment to its full glory.

Details of our next excursion will be in the May edition of the Windellama News.

We have Windellama History preserved in our wonderful museum, with lots to look at and lots to talk about, so come and visit on the next market day.

The museum is open on **Market Days** - every third Sunday of each month, from 9 ish-am till 1 ish -pm

The Next Meeting will be on Saturday 2nd April 2016 10am

NEW MEMBERS and GUESTS ARE ALWAYS WELCOME

For any enquiries please contact:
