Annual Subscriptions - please send your details and **\$30** (cheques payable to 'Windellama News') to cover the annual cost of postage.

All cheques please post to:

The Secretary, PO Box 705, Goulburn. 2580

* Unpaid subscriptions will be cancelled after one month

If you have any short articles, anecdotes, or something else interesting about yourself, your family, or the community; please write it down and drop it in our letterbox at the Hall. We will edit it and publish it in the Windellama News.

A LOCKED POSTAL BOX IS AT THE FRONT OF THE HALL, 3444 OALLEN FORD RD, IN THE STONE WALL FOR THE COLLECTION OF ITEMS FOR PUBLICATION

Items left in the box after the deadline will not be collected or included in the News

Articles, adverts, etc may also be sent by email to:

newswindellama@gmail.com

Adverts sent by email will not be inserted unless payment is received by the deadline.

Our Policy on Receipts

The Windellama News makes out a receipt for all advertising payments made to the paper. We don't post out receipts to save cost and we assume that the appearance of the advertisement in the paper could normally be taken as proof of payment. If you require a posted receipt please include a stamped self-addressed envelope with your payment.

It would be greatly appreciated if anyone sending money to the Windellama News would include their name and address and a note saying what it was for and put it in a sealed envelope. This would avoid a lot of confusion and uncertainty .

Tarago Market Dates for 2023

9 am to 2 pm at the Tarago Town Hall,
Wallace Street

Saturday 20th May 9 - 2 pm

Saturday 15th July 9 - 2 pm

Saturday 16th September 9 - 2 pm

Saturday 18th November 9 - 2 pm

Saturday 2nd December 4 - 8 pm

ANZAC Day Services

Anzac service 10am at Bungonia
War Memorial

Tarago Dawn service at Memorial in
park in Tarago

Windellama Progress Association

Progress Meeting to be held at the Hall

Friday 14th April at 4.00 pm

All Welcome

COMMUNITY HORSE RIDE

In 2023 perhaps a Windellama Community Horse ride could be held.

The format would be of 3 to 4 hours duration on fire trails in the area, followed by a post-ride sausage sizzle/ Bar-b-que get together.

If anyone would be interested in taking part, please contact/text

Gary Lourigan on 0498566508 to ascertain if enough interest is in the community to stage such a family outing.

WINDELLAMA COUNTRY MARKET

Call ahead for bookings and takeaway on 4849 4499

Windellama Rural Fire Brigade

Bushfire Danger Season Ended 31 March 2023. Now that we are out of the bushfire danger period, if you are thinking of burning cleared vegetation that you have in a pile there are some rules that you must follow to make it safer for you and your neighbours:

- You must notify all adjoining neighbours and the RFS Fire Control Centre ((02) 6226 3100) at least 24 hours before lighting up. You can also notify the RFS using the online form www.rfs.nsw.gov.au/fire-information/BFDP/burn-notifications
- You must be present to supervise the burn at all times after lighting and ensure it is definitely out before leaving it unattended.
- Piles should not be greater than 2m length or width 1.5 m in height and cleared to 4.5m
- Before lighting consider the weather. Only light the pile if conditions are calm.

All planned burns are registered on a database which means the RFS and other emergency services won't be unnecessarily called out to a smoke sighting which is your pile burn.

Brigade activity

- Two units responded to a car fire on Oallen Ford rd put the fire out limiting damage.
- One unit assisted with multiple other brigades a large fire at Tirranaville.
- Two units responded to a vehicle fire on Oallen Ford rd at 1:30am Crews made the area safe and prevented the fire spreading further in nearby bush.
- One unit responded to a grass and machinery fire on Cullalla rd
- With high winds across March the brigade also removed and made safe several large branches and trees that had blown on to roads in Windellama.
- Thank you to the community for your donations – we recently purchased and installed a multi camera security system with automatic alerts and uploads footage to the cloud.

Firefighter Matt extinguishing car fire on Oallen Ford Rd

Deputy Captain Thomas at Tirranaville bushfire

The Windellama Rural Fire Brigade will continue to work hard to protect our community, but we need everyone to do their part to keep our community safe and be prepared as there remains large amounts of fuel in the grasslands and bush.

In an emergency or if you see an unattended fire call Triple Zero (000)

Windellama Public School

Respect
Responsibility
Excellence

We are so excited to announce that TheirCare will now provide our school community with exceptional **Outside School Hours Care!**

TheirCare provides a stimulating and safe environment for all children. Children develop **life-skills, friendships, confidence and creativity** through play-based programs.

The program is available for all children at **Windellama Public School** from **7:00am** until **8:40am** and **3:00pm** until **6:00pm** each school day. Commencing in Term 2 2023.

To learn more about the wonderful services provided by TheirCare and to enrol your child please visit the website: www.theircare.com.au

Please note, families are eligible for a Government Rebate called the **Child Care Subsidy** which can reduce the cost per session by up to 85%.

For more information contact the school office or **TheirCare Support Team** on **1300 072 410**.

About the program

TheirCare provides a stimulating and safe environment for all children and an environment where children come and enjoy their time in their program. During sessions children develop life skills, friendships, confidence and creativity through play.

Windellama Public School has partnered with **TheirCare** to provide quality care, flexibility and commitment to deliver on our promise to your school community.

Operation Times		Fees*	Out of Pocket	Average [^]
Before School Care	7:00am – 8:40am	\$18.00	\$2.70 - \$18.00	\$3.24
After School Care	3:00pm - 6:00pm	\$24.00	\$3.60- \$24.00	\$4.32
Cancellation Fee	Same Day	Full Fee	See BSC/ASC	

Service Phone Number: 0447 033 083 Your service coordinator will be available during session times. TheirCare support is available during office hours if required on 1300 072 410

How to Enrol

Visit **TheirCare** website: www.theircare.com.au and click on 'Book Now' in the top right hand corner to register your child's details.

Well the Tarago Show was a huge success and to all those that attended this year's show the Tarago Show Committee thanks you for your support and looks forward to seeing you again next year.

We have to thank so many people for the success of this year's show and not detracting from anyone's help, support or contribution. I am going to list a number of people and I hope not to miss anyone.

First and foremost Our Major Sponsor for this years show DEVELOP, they stepped in when last years sponsors were unable to assist us this year and we were struggling to put things together.

For those that don't know who **DEVELOP** are they have taken over the underground Zinc and Copper mine that was last run by Heron. **DEVELOP** have been here for less than a year and are very optimistic about the mines future and are happy to invest in the Tarago Community, within the first two weeks of arriving they attended the Trivia night Christmas in July fundraising event organised by the show society, a couple of months ago they ran a snake awareness course in the Tarago Town Hall for anyone that wanted to attend, those of us that did learned a lot and appreciate the knowledge gained. Then as mentioned above they stepped up without hesitation and became the Major Sponsor for this years Tarago Show and we hope they will consider doing so again for next year

Next our thanks go out to the Company of the Hound who were our main attraction. They Stepped up when things went awry and instead of putting on a demonstration they became our main attraction and thoroughly entertained the crowd from the start of the show till near the end.

They started with ground Archery moved on to Horse Archery, then a Skill at arms course with sword on horseback, onto and to hand fighting, then a skill at arms course with lance on horseback ending with the ultimate Knightly Exhibition of Jousting where there were some superb hits many shattered lances and loud oohhhss ahhs and cheers from the crowd.

The events were all scored individually and the winners of each event were: Ground

Archery: Steven Lyons

Horse Archery: Rodney Deaman

Skill at arms: Liberty Deaman

Hand to Hand: Chris Piggott

Jousting: Andrew McKinnon

Overall Champion: Rodney Deaman

We owe the success of the show to the Company of the Hound as they were our main drawcard

Other companies and or businesses that sponsored or contributed to the preparation and successful running of the show:

Loaded Dog

Divall's Earthmoving Veolia

Dave Cosgrove Mitre 10

Australian Wool Network

Goulburn Produce

Stone Dog Meadery-Steve Kirby

Bunnings-Tomato Tourney

Thankyou to all the Sponsors of the Pavilion without whom we could not give out such prizes: Tarago Show committee, Jo-Anne Cormie, Lois & Kym Wake, Greenfields McMahons family farm, Tarago CWA, Haddies Cupcakes,Nirvalley Homestead Nursery, Tarago Area Womens' Shed, Tarago Treasure Trove, Kirky'e Handmade, SJ Rural, Southern Tablelands Realty, Feather and Heart collective, Lawler & co,Tarago Cade, Boxwell Electrical,Anne Cosgrove,Dee Payne,Sam Baker,Mark Hemeter,Richard Kirkwood, Jenny Hajek,Sam Baker,Melaney & Co, Roger and Vicki McMahon.

We had well over a hundred Volunteers assist us on Show day, some of you volunteered in multiple locations on the day, Some of you Helped in the months leading up to the show in working bees constant maintenance, repairs, mowing,painting, Some of you helped set up on the Friday and Saturday prior to the sho others of you help pack up after the show, Many of you did multiples or all of the above. **ALL OF YOU ARE SUPERB!**

Putting the show on is a huge effort and the Tarago Community is fantastic in its support to make the Show able to go on year after year.

We congratulate each and everyone of you for the success of the show and give our thanks and appreciation to you for your efforts.

We look forward to next year's show and your continued support and assistance.

Now I certainly cannot forget the absolutely amazing team that worked so hard to put the show together, meeting regularly, giving up their personal time and putting in the hard work to put the show together and they do this because of their Community spirit and passion for the show.

So a huge personal thank you to:

Terry Dunn Vice President

Ken Wells Treasurer

Morag Rook Secretary and Pavillion Co-ordinator

Heather Baynham Committee and Pavillion Co-ordinator

Jenny Hajek Assistant Treasurer & CWA rep

Jenni Cole Committee & Publicity Officer

Leanne Harmer Committee & Publicity officer

Anne McVilly Committee & Executive & assistant

Shirlee Jennings Committee & RSA & refreshments

David Gock Committee & Gate organiser

Sam Baker Committee & Safety Officer

Brittany Baker Committee & Technology & Kids

Without you the show would not go on!

Our Show society meetings are held on the first Monday of every month unless advised otherwise, If you would like to join this bunch of amazing people, come along and be a part of putting the 64th Annual Tarago Show together!

(Continued on page 17)

February 2023 Rainfall at our place.

The downpour received on the 18th saw 11mm in the gauge in very short time. Up until we received the downpour, we had only received 8mm for February. All up for February 23 saw a total of 27.5mm fall. This makes February 23 the lowest drop since 2016 where we received 14mm.

March 2023 Rainfall at our place.

Rain so far has been in short supply at our place, only receiving 13.5mm. Compared to last year in March where we recorded 186mm. So there is a bit of catching up to reach last year's total.

Now is the time to clean gutters. I have a strong feeling we will need every drop of rain we can catch.

Windellama Road Gardening

As you drive along Windellama Road from the Goulburn end to the Windellama end you will notice the variation of the ecology on different properties. The ecology of some blocks of land has been modified by many ways. For example, with the planting of trees, ploughing for different crops, grazing of animals, including native animals and the introduction of feral pests like rabbits and weeds.

Gardening on most properties will mean changing the ecology for gardens to thrive and that in itself, is one of the many challenges.

The other noticeable aspect about this road is that most properties have different yearly rainfall totals and this fact alone, adds another challenge of gardening on Windellama Road.

Jobs for the month at our place

The fruit trees, especially the Plums and Apricots were reaching for the sky, until I cut them back to my head height. I always cut the tops off to keep them to a manageable height and then in winter, I remove all damaged wood and low down branches, plus I open up the centre by removing branches.

I'm also preparing beds for winter vegetables by adding compost and Blood and Bone, but making sure I keep the Ph around 7 or a little less. The only digging I do now is when I'm planting a tree, shrub, or seedlings and seeds.

For trees and shrubs I dig the hole deeper and wider than than the root ball. I then put a handful of Gypsum on the bottom. I then fill the hole with water and wait to water soaks away. I then cover the bottom of hole with a mixture of compost and soil that was removed and place tree or shrub root ball in hole and apply a mixture of compost and soil around root ball in layers and water in as I go. Hopefully, this helps in removing air pockets and at the same time firms soil mixture around root ball of planting. I also ensure if plant has been grafted, that where the graft is joined, it is not covered. This procedure works for us.

When planting seedlings, the procedure is similar but I add an approximate tablespoon full of chicken pellets on top of soil mix under where seedling is to be planted. For seeds, I soak the area where seeds are to be planted, spread seeds and cover with sifted compost or potting mix.

(Continued on page 13)

Bungonia Events update plus dates for your diaries.

Bungonia CAFÉ : URGENT INFORMATION ABOUT CHANGED TRADING TIMES :

Windellama SES First Aid & CFR

We are presently looking at ways to try to get people interested in joining our combined team, by that I mean, SES and then our Community First Responders Team. You have to be a member of the SES to be eligible to take part in the CFR activities.

The SES and New South Wales Ambulance Service have a Memorandum of Understanding to bring this about. This enables you to be trained by the very capable Ambulance Paramedics, who it must be realised, do so in their own time on many occasions.

As a reminder, once again, we meet every second and third Monday of the month for SES training at 1830 hours (6.30 pm) and 0830 am for Ambulance training every fourth Saturday of the month, so go on, be brave, and come and enlighten your knowledge.

We have had 74 CFR responses in the past 12 months and this is a good effort with the very small number of us.

SES on the other hand has been far less demanding, thank goodness.

Remember folks. try and keep your roofing gutters and valleys clean when safe to do so, as this can help to prevent water damage and fire damage.

Regards

Kevin Muffet

Deputy Unit Commander

Windellama SES/CFR

N.B. The views expressed in this article are not necessarily those of the SES.

(Continued from page 11)

If the weather is dry, like now, I also cover the planted seeds with Hessian and keep Hessian damp until seeds germinate. During hot weather keep water up to the seedlings and erecting shade cloth over them when it is really hot. Also, make sure nothing is eaten them like 4 legged feral pests and members of the insect group and also snails and slugs.

Weeds

The new thistles growing have been sprayed and turning brown, as have any other recognised weed weed that's starting to pop up.

Trees

The trees at our place are looking a little water stressed, obvious by the drooping leaves. I'm hanging out for it to rain but if we do not get at least 10 – 20 mm, then its pumping time from the dam. The 1 – 2mm receiving, only penetrates the top soil by 1 – 2 mm, if that!

NERRIGA HOTEL

A Family Friendly Bush Pub

Pub – Open Wednesday to Sunday from 11.30am.
Open Tuesday from 4pm. Closed Monday.

Meals – Lunch (12-3pm), Wednesday to Sunday.
Dinner (6-8pm) Friday & Saturday.

Coffee shop – Open Wednesday to Sunday from 9am to 11.30am.

Accommodation – Self-contained cabins available.

VEGETABLES;

Broad beans, like to grow in cool climate, and are ready to pick early spring. Before planting give the garden soil a good liming and some compost . they don't like a high nitrogen fertilizer as this promotes leaves at the expense of flowers.

Other vegetables to plant are peas, cabbage, and onions. Peas both climbing and dwarf, give the soil some lime and fertilizer before planting.

FLOWERS;

Seedling to plant now Alyssum, Canterbury bells, carnations, cornflower, delphinium, dianthus, hollyhock, russel lupins, pansy, viola, primula, snapdragon, stocks and wallflower .Sow sweet peas.

It a good time to check the colour of the deciduous tree in your area, to help you choose some for your garden. There is large trees such claret ash, elms, variegated leaved box elder, liquidambar, silver birch, Japanese maple, flowering cherry and crap apple.

Thing to do now;-

Cut off old hellebore leaves and liquid –fertilizer plants to prepare them for winter blooming.

Tip- prune native shrubs that flowered during summer.

Prune hydrangea stems that are still carrying old blooms, cutting just above a pair of fat buds.

Plant new evergreen trees and shrubs to give them time to establish before the arrival of winter.

Feed cymbidium orchids fortnightly with a liquid orchid food to promote good winter blooms.

• Sprinkle lime or dolomite over the lawn at the rate of one handful per square metre, which will encourage healthy growth.

Move cold-sensitive pot plants under cover or group them together near a sun-drench wall.

Apply a layer of loose mulch such as sugarcane or straw over the soil to help it maintain its relative warmth. In very cold areas, pull mulch up over the base of plants when heavy frosts are expected.

Mow over fallen leaves before adding them to the compost or garden beds.

Heard of Wiltipoll Sheep?

The Wiltipoll is a hardy, prime lamb, wool shedding breed developed in Australia

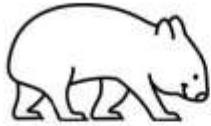

- ✓ Full wool shedding – no costs of shearing
- ✓ Fly lice & grass seed resistant
- ✓ No jetting dipping or mulesing
- ✓ Stays in allocated paddock
- ✓ Superior quality meat sheep

✓ Ideal for organic lamb production - consistent multiple births

Firstly, I want to thank the Tarago Show Society for organising and running a very successful show. Much enjoyed by all of those who attended. Members of the Men's Shed helped on the day and also placed entries into the show competition. Congratulations to Robert and Noel for winning prizes in their respective classes.

Another busy month at the Men's Shed with all the regular activities in the workshop as well as several activities outside of the shed.

Now that COVID is largely behind us, we are planning to get out and about more regularly and visit places and do things that interest our members. The Men's Shed will be visiting the Australian War Memorial and Corang Estate Winery in the next two months. Members will be advised by email and a flyer will be placed on the notice board in the shed. Let a committee member know if you have any ideas of places to visit or things to do.

The Men's Shed visited the Veolia Woodlawn Eco Precinct for a tour of the site. A very interesting insight to operations of the site and the many initiatives to recover and use energy from waste. Those who attended enjoyed the visit and would like to thank Justin for organising the tour and his informative and forthright commentary.

The Men's Shed motto is "shoulder to shoulder" and we are proud to support our members and their families in times of need. In December, sadly one of our members passed away. The men's shed held a working bee this month to support his widow. It was heart-warming to see the effort and community spirit displayed by those who helped.

A quick update from Owen and Anne about their move to Adelaide. Thankfully, they had uneventful and safe trip to Adelaide. They have bought a house in Adelaide, and all things going to plan should move in mid-April. They are enjoying what Adelaide has to offer and have settled effortlessly into the café scene and attending live music.

Kym Wake
Treasurer

(Continued from page 10)

Also we need to Announce that our next Annual General Meeting is just about due and as we need to give all members a months notice we have set the date for the first Monday in May which is the 3rd of May 2023, join up become a member, take a lead role in the Executive, or an equally important role in the committee, give us your ideas, it's how we grow! Just remember only current financial members can vote, nominate or be nominated for an Executive or major committee position. All positions will of course be vacated and any eligible Member is welcome to nominate someone or be nominated for any position.

Once again thank you to all who helped physically, financially, by attending or participating you all made the 63rd annual show a success.

Regards

Wayne Baynham
President Tarago and District Show Society 0415174935.

- The Shed is open 10am to 4pm each Sunday.
- We have tea/coffee facilities and a comfortable sitting area.
- Come along to chat or to work on your personal project.
- Workshops are held frequently.
- Join our Facebook page to get regular updates.

We've had an unusual month, for us, as we didn't work on any personal projects or have any workshops.

The wonderful Tarago Show was held on the first weekend in March so the Pavilion had to be emptied of all our tools and equipment. Now we have put it all back!

Still, it gave us an excellent opportunity to reorganise our Shed. As we've said before, people have been very generous with equipment – sometimes to excess. There are only so many hammers and screwdrivers that you need! Some tools were left in storage, some given to good homes and a select few put on the shelf ready to use. The whole area is now much neater and everything is easier to access and use. As our first move out/repack, it took a lot of time. Next year will be easier as we have more storage options ready to go.

Even our tea room has had a makeover. A new stove has been bought for the kitchen so we will soon have a fully functioning facility. The “chill out area” is much less crowded and better organised.

I'm not sure our resident Cunningham skink is completely happy with the changes but it may just take it a little while for it to find the best living space.

UPCOMING EVENTS

In May we will hold a workshop on making small planter boxes from recycled wood. Details will come soon.

We are also organising a basic car care class. If you have any suggestions on what you would like to learn on this, or any other topic, please comment on our Facebook page or email taragoarea.womensshed@gmail.com

MEMBERSHIP RENEWAL

2023 membership is now due. The insurance cost has not risen so the price will remain \$35 for one year. Check the TAWS Facebook page for more information.

JCFEARTHMOVING.COM.AU

For our March meeting we visited Danny and Vivien at their winery and olive plantings, and spent an enjoyable time in their cellar for our meeting. A cool wine cellar is a great venue for meetings, especially when it is hot and windy outside, as it was for our March meeting.

Even though there was a strong westerly wind blowing, we still made time to walk through the olive plantings, and then the vineyard, which looked in great condition, despite the dry conditions we have been experiencing lately.

Danny and Vivien have been busy controlling downy and powdery mildew in the vineyards, no doubt brought on by the previous spells of wet weather that we have all been experiencing. They must be doing a good job, because we were all impressed with the appearance of the vines, which looked healthy and hardy.

There was evidence that we were not the only ones to be interested in viewing the vineyard, as Danny showed us where the local wombat(s) decided to push their way through the bird netting on the surrounds of the vineyard, no doubt to get a better look at the grapes. Danny doesn't think they eat too many, but is a bit unhappy about them letting the birds in, and has to rise early to "check the fences", so to speak.

Of course, no visit to a winery could be complete without at least a small tasting of the finished product, which Danny and Vivien kindly hosted, and was much appreciated.

In other members' gardens, Irene and Lloyd have been using coffee grounds to deal with snails and slugs in the garden, but commented that coffee grounds can acidify the soil, so are best used around acid loving plants. When used in

vegetable gardens, the increased acidity could affect production as vegetables generally prefer a neutral to alkaline soil, so you need to be careful with the amount you apply. Some members have found coffee grounds very effective at controlling snails, and it has the added benefit of not poisoning lizards, birds etc., but soil acidity may need to be monitored.

Carolyn's vegie garden is doing well and she is harvesting a variety of produce, however she is having some trouble with apple scab at present. Tony and Sandra are enjoying a good crop of Chinese quinces and Warren and Judy have an impressive display of sunflowers.

Lynda is busying herself with making apple jelly, and not just any apple jelly. She is using a Huonville red apple, which has deep red flesh, resulting in an intense red apple jelly. Can't wait to try some.

Irene has been very busy turning her garden produce into pickles and jams. She entered some in the Goulburn Show and won several firsts and a Champion ribbon. Congratulations Irene!
