Annual Subscriptions - please send your details and **\$30** (cheques payable to 'Windellama News') to cover the annual cost of postage.

All cheques please post to:

The Secretary, PO Box 705, Goulburn. 2580

* Unpaid subscriptions will be cancelled after one month

If you have any short articles, anecdotes, or something else interesting about yourself, your family, or the community; please write it down and drop it in our letterbox at the Hall. We will edit it and publish it in the Windellama News.

A LOCKED POSTAL BOX IS AT THE FRONT OF THE HALL, 3444 OALLEN FORD RD, IN THE STONE WALL FOR THE COLLECTION OF ITEMS FOR PUBLICATION

Items left in the box after the deadline will not be collected or included in the News

Articles, adverts, etc may also be sent by email to:

newswindellama@gmail.com

Adverts sent by email will not be inserted unless payment is received by the deadline.

Our Policy on Receipts

The Windellama News makes out a receipt for all advertising payments made to the paper. We don't post out receipts to save cost and we assume that the appearance of the advertisement in the paper could normally be taken as proof of payment. If you require a posted receipt please include a stamped self-addressed envelope with your payment.

It would be greatly appreciated if anyone sending money to the Windellama News would include their name and address and a note saying what it was for and put it in a sealed envelope. This would avoid a lot of confusion and uncertainty .

Windellama Landcare

Several members of Windellama Landcare were joined by David Hilhorst, from Goulburn Local Land Services, when we met on Sandy Point Road on Saturday 2 June to plant trees, eucalypts, at

the southern end of the Chain of Ponds area. These trees replace those unfortunate ones which were planted earlier but were washed away during the tumultuous rainstorm we experienced some weeks later. With the gentle rain we have had recently they appear to be doing well.

Then we all gathered around the new memorial stone in memory of Kevin Stewart with Chris and Stephanie, Tarago Landcare members joining us in drinking to the memory of Kevin and his services to Windellama Landcare over the last few years. The stone is positioned close to the large Landcare sign, alongside the road. A small rock for a big/grand Landcare personality.

the Windellama mob at the unveiling of the Memorial stone

here is a close up of the stone

Lunch was served - warming hot soups followed by Irene's chocolate cake and then we hastened home to our own warm fire places as the day had become steadily colder and wetter.

A PROGRAM OF PLANT, WEED AND TREE IDENTIFICATION IN THE FIELD AND SOIL/LAND MANAGEMENT is being developed for spring. Please let Tony know if you would be interested in attending and what you would like to see in this program.

JOINING LANDCARE

If you are interested in joining local Windellama Landcare Group or you would like to come to one of our working bees, please call Tony or Sandra Greville on 0418 412 460 or Irene Turner on 02 4844 5214 or John Pearce on 0435 586 281.

Children are very welcome too at our working bees. You will learn about tackling some of the land management issues of our sensitive soils. It is also a great social activity – meeting local people while learning about our unique local area. Annual membership of Windellama Landcare is \$10.00 per family. Busy bees begin at 9:30 am with a cuppa. Morning tea and lunch are provided.

Fridge, Freezers, Air Conditioners	Per Item	\$20.00

St Bartholomew 's Church

St Bartholomew 's was nicely filled on 27th May when the members of the Order of Constantine attended. It was the Sunday closest to St Constantine's Day. Members from all over NSW and the Act attended and the head of the order, Mr. Terry Ryan, read one of the Lessons at the service. Constantine was the first Roman Emperor to encourage Christianity in the Empire. Previous to that Christians were fiercely persecuted.

After the service members gathered tor a photo shoot. They are (from left to right) : Roy Bloomfield, Geoff Leudowyk, Ray Newcombe, Tim Foster, (partly obscured), canon Peter Bertram. Amit Sen, Ian Poyrtt, Bryan Davis. Michael Freeman-Robinson Terry Ryan (Grand Sovereign of the Order}, Lance Dowle, Don Savage. Ignacious Hidvegi, and Arthur Macken.

After the service Roy Bloomfield and Ian Poyitt received recognition for their 39 years' service to the order.

Nerriga Progress & Sporting Association

NERRIGA PROGRESS ASSOCIATION will be holding their Winter Cake Stall and Sausage Sizzle on SATURDAY JUNE 9th at the Nerriga Hall.

Join us for morning tea, or lunch or Sausage Sizzle. We will open at 9am until sold out. Hope to see you there.

NPSA is honoured to receive a Grant from the Veolia Mulwaree Trust for the installation of footpaths at Nerriga Hall. This will make it much safer for people moving around the Hall. Before's and After's in the next issue. This is our second grant from the Trust, and it's great to have their support.

Despite the rainy welcome to the day, Saturday of the Queen's Birthday Long weekend was another successful Cake Stall and Sausage Sizzle

at Nerriga Hall for the Nerriga Progress Association. We are very appreciative of the effort everyone went to with baking, cooking, serving, and decorating, throughout the day. Thanks especially go to Phil and Sarah at the Nerriga Hotel for their constant support. And thanks to all the buyers, it seems we are now becoming known as the "long weekend cake stallers" as we are getting quite a few return visitors.

NERRIGA HALL fees for Hire of Hall and Supper Room

Hall -

Full Day \$200

Half Day \$100

Supper Room - \$60

Supper Room &

PREVIOUSLY TRADING AS SUN POWER

LICENSED ELECTRICAL CONTRACTORS (241654C)

Nerriga Gardeners

Rugged up against the chilly morning, members gathered at Helen's place to enjoy a cosy morning tea in front of the fire, then a walk round some of the property dotting in between the sun breaks to keep warm.

Helen's place isn't a gardener's dream, but she enjoys waiting to see what nature does to change the landscape each year. Following the walk, we returned to the house and fire and enjoyed a relaxing lunch.

Now the frosts have started appearing - white as snow this morning!

Next meeting is on Thursday July 19 at Di's place. Stay tuned for further details in the coming weeks. Enquiries: Kay Hamer kahamer@activ8.net or 4845 9021 (leave a message).

Windellama SES First Aid & CFR

We have at last had some moisture falling , not much, but better than nothing. Light frosts have also been with us. This brings me to remind ourselves to the risk of hypothermia, especially after the last weekend.

The CFR side of our operations has been very quiet, so let it stay that way.

We have started a new round of training, so come along and see what goes on, seems a waste of time asking, but who knows, maybe someone will take up the idea.

An open day is still in offering but no one has shown any interest, WHY?

I note that seems to me some people are oblivious to double white lines on our roads, wake up those responsible.

Kevin Muffet
Deputy Unit Controller.

Rose and fruit trees can be planted, and nurseries have deciduous flowering trees such as prunus, flowering cherry, flowering peach, crab apple, lilac, laburnum vossi (golden chain tree).

Lots of larger trees also available such as liquidambar, box elder, golden elm, claret and golden ash and silver birch. Also weeping cherry, Japanese maples, mulberry to name a few.

Rose and fruit tree pruning can start this month. Spray roses with lime sulfur after pruning.

VEGETABLES;

Sow broad beans, peas and all varieties onions and strawberries,

Rhubarb and asparagus crowns can all be planted now, also lift and divide the old clumps and replant in soil which has plenty of old compost added.

FLOWERS;

Seedlings for sowing; Stock, viola, primula, wallflower, russel lupins, delphiniums, foxglove, poppies, sweet William, calendula, alyssum, snapdragons, verbena, diathus. Also sow Virginian stock seeds directly into the ground.

Plant lily-of-valley pips (rhizomes) under deciduous trees in cool climate to form a ground cover.

Spread garden lime around sweet peas, also eating peas, olive trees and lavender in acid-soil areas. Dig compost and gypsum into garden beds, so the soil is ready for spring planting.

Use stakes and shade cloth as temporary windbreaks on exposed sides of newly planted trees, then remove at the end of winter.

Prune crabapples to control shape and size. Also fig trees, spray with horticultural oil.

Watch your ornamental and fruiting peaches carefully, and apply with copper-based spray for fungal leaf curl as soon as the buds begin to show colour.

Top tip;- Check that your worm farm isn't too cold for the inhabitants. Consider moving it into a slightly sunnier spot or covering it with an old piece of carpet for insulation.

Cut off suckers appearing from below the graft of fruit trees, such as plum, peach, cherry and apple, cut them off as low down as possible or break off if they are small.

GET THE JOB DONE RIGHT!

ENROLLING FOR KINDERGARTEN 2019

Enrolments are now open for students who will be attending Kindergarten in 2019. Windellama Public School is a great place for children to grow and learn. Although we are a small school the opportunities afforded our students are great. This year we have travelled to Sydney to perform at the Opera House, have attended an overnight camp at Mogo Gold Rush Park and shared our learning endeavours with a number of other small schools as part of our Tablelands Rural Education Community (TREC for short). In 2019 students from Windellama Public School for Kindergarten through to Year Six will have the opportunity to go on a 5 day camp to Berry with a number of other schools. If you think you might be enrolling at Windellama Public School for Kindergarten or any other grade in 2019. We'd love to hear from you. Please contact Ryan Paranthoiene (Teaching Principal), Julie Carey (School Administration Manager) or Sharon Alessi (School Administration Officer) on (02) 4844 5130.

FESTIVAL OF INSTRUMENTAL MUSIC

On Sunday, 17th June a number of students and parents from Windellama Public School converged on The Sydney Opera House to take part in the Festival of Instrumental Music.

The students have been rehearsing for the Jacaranda Concert. William, Tobie, Victoria, Charlotte, Toby, Sam, Tyler and Sienna played recorder as part of the recorder descant 2 section of the concert.

The concert also involved acapella singing, string ensembles, other types of recorder playing, jazz musicians, pianists and some students delivering instrumental and vocal solos.

The students were led by a number of conductors from the New South Wales Department of Education's Arts Unit. These conductors did a fantastic job and I must say made the experience not only culturally enriching for the students but also fun.

I would like to thank Mr Kyle Erdley for his support and leadership on the day as well as all the hard work he put into getting the students ready for the concert.

A special thanks to Tanya Roberts, Brett Tiyce, Ian O'Donnell and Sabine O'Donnell for their support of both the students and the teachers on the day.

All in all this was a fantastic experience for those involved and I must say I was very proud of all the students. Congratulations!

Windellama Garden Club Incorporated News

In July this year our Garden Club will host a Pot Luck event at the Windellama Progress Hall on Thursday 12th starting at 11.30am. Cost is \$15.00 per person. RSVP on 48447061 by Monday 9th July will be greatly appreciated.

On Saturday August 11th we will host our Annual Cake Auction where all funds raised will go to the Goulburn Can-Assist. Last year through the support of the community we received plenty of donations of cakes etc., for auction that helped in raising funds for the Goulburn Can-Assist. Once again we seek the communities support in cake, scones, confectionary and pie donations for this event.

As predicted last month the weather has turned bloody cold. On Sunday morning 17 June at 9am it was 4 degrees Celsius at our place. The only rain we are receiving feels like ice and arrives in small showers that don't last long. The most rain received in 24hours was 3.5mm on the 7th of this month, total for this month so far is 20mm up to 16th, but every little bit helps.

The citrus trees at our place are not liking the cold and cold winds with the Meyer lemon sulking. The Lisbon lemon is still looking good – well better than the Meyer lemon. If your citrus leaves are turning yellow don't be tempted to feed with a nitrogen fertilizer because any new shoots that grow will soon turn black when the first decent frost hits them. Wait to spring to feed with a complete citrus fertilizer. However, you can apply some Dolomite lime around the base of the tree to replace minerals. Also, keep-up the liquid seaweed foliar spray and a spray with liquid potassium occasionally helps.

In our vegetable garden growth of plants have slowed and also what weeds that poke their shoots up. At least it's easy to remove the weeds by hand in the moist soil. When the seedlings reach 100mm in height we will scratch the soil surface surrounding them and add a light mulch e.g. Sugar Cane to retain moisture received and also to let moisture penetrate, suppress weeds and help prevent the soil surface caking.

At our place we have already cut out all the rampant growth reaching for the sky in the fruit trees. Towards the end of winter the fruit trees will have their final prune where all lower branches pointing to the ground, damaged branches, criss-crossed branches, branches still too high will be removed or cut back.

On the Tuesday 3rd July our Club and Willow Glen will carry out garden maintenance at St. Barts. Providing it's not raining.

2018 Annual General Meeting

The Windellama Rural Fire Brigade Annual General Meeting was held on Saturday 23 June 2018.

Thanks to Des Kingston (Group Captain, Group 8, Southern Tableland Zone) for acting as Returning Officer at the AGM.

The following were elected to Brigade positions:

Field positions		Other positions	
Captain	Paul Alessi	Equipment Officer	Doug Gurney
Senior Deputy Captain	Brett Vilnis	Community Engagement Officer	Will Hargan
Deputy Captains	Brendan Shannon, Dave Edworthy, Mark Williams, Brett Roberts, Ashley Armstrong, Wayne Back & Graham Kinder.	Training Officers	Brendan Shannon & Graham Kinder
Administrative positions		Asst. Training Officer	Wayne Back
President	Graham Kinder	Health & Safety Officer	Thomas Shannon
Treasurer	Keith Scorrar	Catering Officer	Marlene Carmichael
Secretary	Peter Pokorny	Asst. Catering Officer	Judy Yates
Asst. Secretary	Lisa Porter	Asst. Catering Officer	Katie Reece

Congratulations to all those elected to Brigade positions. A heartfelt thanks goes out to all those who have recently stepped down or had to step back, after giving sterling service to our Brigade.

If you would like to take part in the Windellama Brigade Training or be contacted by e-mail regarding the monthly training details, visit the Brigade's website and send an on-line contact form. For information on training dates, times and scenarios, check the Brigade website or contact Training Officers Officers Brendan Shannon 0401 712 015 (Brendan.shannon.deputy@windellamarfs.com.au) or Graham Kinder 0429 892 154, or follow the brigade on Facebook at Windellama Rural Fire Brigade. See you at the next Training and General Meeting. All welcome.

End of Bush Fire Danger Period

With the Bush Fire Danger Period now over, residents are now permitted to conduct burn offs without a permit.

Residents are however reminded, there are a number of things they need to do before lighting.

- Notify their neighbours and Yass Fire Control Centre (**02 6226 3100**)
- Ensure you have environmental approval (If Required)
- Ensure you have taken adequate precautions to contain the burn
- For more information about steps you should take before lighting visit <http://bit.ly/LightingInfo>

The Southern Tablelands Office has also compiled this infographic showing the callouts across the entire zone for the fire season. During this period Windellama attended 17 different incidents.

Rescue & Education Service Inc.

SOUTHERN TABLELANDS BRANCH

FEATHERS & SPINES!

By Kay Muddiman – Media Officer

First – the feathers!

A beautiful Barn Owl (*Tyto alba*) came into care one evening early in May, after flying into a window in the Crestwood Estate at Goulburn and knocking himself unconscious. We get lots of daytime calls for birds that have injured themselves by flying into windows, but this evening call for a nocturnal bird was a complete surprise. He came around after a while and thankfully didn't have any visible injuries. The next day he was taken for a vet examination, including checking his eyes - perfect eyesight is vital to these birds. He was given the 'all clear', so that night he was taken back out to Crestwood where he was released near the river. The accompanying pics were taken during his vet examination - unfortunately it was impossible to get a photo of his release, because as soon as the box was opened he took off, flying beautifully - obviously happy to be home.

Second – the spines!

Some weeks back we had a call for an echidna at Binda that had somehow fallen into an ancient (fortunately long unused!) brick lined septic tank and was unable to get out. It responded to all efforts to get him out by 'digging in', making the task that much harder! It took the assistance of a young teenage boy to shimmy down into the tank and dig him out. Finally, after not a little effort, the echidna was retrieved. Other than being very thirsty and wanting a drink, he was thankfully uninjured, so was able to be released straight away. The caller (the occupier of the premises) was most distressed about the echidna's plight, assuring us that she would be getting her husband to cover the tank to prevent any other creature from getting into the same predicament.

Another word on feathers!

At the time of writing this our bird co-ordinator reports that she has two galahs in care that are underweight and debilitated, due to the dry weather and resulting lack of food. We are also unfortunately starting to get young parrots in that are extremely underweight and weak for the same reason. If they survive and their weight improves, and to give them the best chance of survival, they will be kept in care over winter and released with the coming of warmer weather in spring

Finally – birdbaths!

Due to the dry conditions and our current erratic weather patterns, many of the water sources our wildlife rely on are disappearing, so please continue to keep your birdbaths and other water containers topped up. In fact, they should be topped up year-round. Even in the cooler weather birds need water to groom their feathers daily, so don't assume they're only visiting birdbaths on hot summer days. At our place we've even had birds trying to break the ice in our birdbaths first thing on winter mornings to access the water!

Should you need advice or help with injured or distressed wildlife, please ring the WIRES Rescue Number 1300 094737. Your call will be logged and directed to our branch electronically, so that we can respond accordingly. As always, our volunteers will be only too happy to assist.

Until next time, take care all – Kay

Willow Glen Gardeners

<http://www.whispersfromwillowglen.blogspot.com>

On Tuesday 5th June a few brave souls visited the Goulburn Community Gardens at the Westley Centre. The weather was bleak and very cold. Three went early because of weather.

Those remaining had a tour of the gardens and talk about how the garden was established on top of the old tennis court. The gardens were raised with dirt brought in. The plots are leased to the public, who wish to grow things and are community friendly.

See Ray Shields if you are interested in going for a look or hiring a plot for the year. They had herbs, flowers, peas, spinach and some greens all growing well. They have a worm farm and a compost heap, to help clean up your plots and replenish their soil.

Thank you to Ray , and Pat for showing us the gardens.

After morning tea we went onto the Riversdale Gardens, where some strong volunteers were weeding the vegie patch and some of the gardens. We had a tour of the gardens and told about the history of the house and grounds, some of their fruit trees date back to 1800.

Thank you to the members of Riversdale for showing us their gardens.

Not much doing in our gardens. Anna is potting up plants.

Irene has broad beans up and cabbages and greens, roses still flowering and some strawberry plants, and the camellia trees are in bloom.

At this stage, there is no venue for the next garden meeting. Irene

Dates for Community Outreach Meetings have now been determined.

The Community Outreach Meetings are a great opportunity to meet Goulburn Mulwaree Councillors and senior staff, and discuss Council related matters with them.

A light supper will be served after each meeting.

2018 Community Outreach Meeting Dates

- | | | |
|------------------------|------------------------------|--------|
| • Thursday 4 October | Middle Arm (RFS Shed) | 6.30pm |
| • Tuesday 9 October | Windellama (Windellama Hall) | 6.30pm |
| • Tuesday 16 October | Goulburn (Council Chambers) | 5.30pm |
| • Thursday 25 October | Marulan (Marulan Hall) | 6.30pm |
| • Tuesday 30 October | Parkesbourne (Church Hall) | 6.30pm |
| • Tuesday 13 November | Tarago (Community Hall) | 6.30pm |
| • Thursday 29 November | Towrang (Community Hall) | 6.30pm |
| • Thursday 6 December | Tallong (Memorial Hall) | 6.30pm |
| • Tuesday 11 December | Bungonia (Community Hall) | 6.30pm |

If you have any questions you would like raised at the meetings please contact Executive Officer to Mayor & General Manager on 4823 4486 or by emailing council@goulburn.nsw.gov.au.

Facebook

Greetings to our members and the community.

Grant: We have purchased the equipment partially funded in Round 16 of the Federal Government National Shed Development Grant: a high quality planer/thicknesser, security camera system and essential first aid items.

New Shed: The development application for our new Shed to be located behind the Village Hall has been approved. Two grant applications have been made. One to Veolia Mulwaree Trust to fund Stage I: concrete slab, shed acquisition and erection, power connection and reticulation. Advice on outcome is expected by the publication of this issue of the Times. The second application was to NSW Community Building Partnerships for water tanks and reticulation. We are hopeful of moving in to the new shed by year's end.

Heron Mine Tour: On the 20th June some members toured the Heron Resources site at Woodlawn mine. Afterwards we lunched at the Shed with Heron staff and thanked them for their recent generous support.

Trip to Historical Aircraft (HAR.S) Museum: The Queanbeyan Shed generously offered several bus seats on their 19 Jun trip to HARS Wollongong. Those that went had a great day communing with our fellow Shed members.

Spring Get Together: We intend to have an open day to get as many members as we can to the Shed. Current thinking is for a Sunday brunch in October with briefings on Shed issues and possibly a speaker.

Facebook Presence: We hope to establish a Facebook presence soon. We will advise members when this is up and running.

Community Project: The Shed has agreed to make a letter box for use by community groups at the Village Hall, 18 Wallace St Tarago. The new Shed address will be 20-22 Wallace St

Australian Rugby Choir: Unfortunately we have had to cancel to choir concert for this year because of a clash with the Toyota 4WD weekend. We now hope to have the Choir perform at the official opening of the new shed in early Autumn 2019. And we still hope for the attendance of the current Governor General Sir Peter Cosgrove, patron of the Australian Men's Shed Association.

Shed Security: We have been advised that a robbery recently took place at the Goulburn Men's Shed. We ask community members to keep an eye out for any unusual activity at our current location the Show Grounds. In addition we are about to install

WINDELLAMA GARDEN CLUB
CAKE AUCTION
FOR

GOULBURN CAN-ASSIST

Date: Saturday 11th August 2018

LOCATION: WINDELLAMA HALL

Cnr Windellama Rd & Oallen Ford Rd

Start: 10.30am

Cake Auction: 12.30pm

Hot Food from 10.30am

***Note: All monies raised/collected is for Can-Assist
Goulburn.***

For further information please contact

Di Andrews 48445127

or

Harry Simm 48447061

security devices which will provide alerts.

Men's Health: During the recent Men's Health Week we were reminded that in Australia, like most countries, males have poorer health outcomes on average than females. The National Male Health Strategy (2020 - 2030) will kick off with an 18 month consultation period to understand the issues that surround men's health and get a handle on exactly what needs to be done. This is a relevant announcement for all Shedders - and the Australian community in general.

Health Check: <https://malehealth.or.au/>

Rural Adversity Mental Health Program: If you're concerned about your own or someone else's mental health, call the NSW Mental Health Line on 1800 011 511. You can also find self-help resources on the website: www.ramhp.com.au

The next committee meeting is at the Loaded Dog at **7pm on Mon 16th Jul**. The Shed opens Wed and Sat 10am-3pm. We have a wide selection of books, games (table tennis, table soccer, etc) and WiFi. Bring your project to the Shed and start work on it or just come along and say hello. Please contact me if you wish to join.

Lou Alaimo, Secretary for Committee 0428 32 8686;

Hello Everyone,

If you missed out on getting your copy of "Some Windellama History" we still have copies available at the museum. Call in to the Museum on the next market day to purchase your copy as well as having a look around our wonderful Museum, if you can't make it, just give one of us a ring, we can arrange for your copy to be picked up at a time that suits you.

Windellama History is preserved in our wonderful museum, with lots to look at and lots to talk about, so come and visit at the next Market Day.

We have a selection of history books by local Authors Tom Bryant & Rex Hockey, for sale as well as the ever popular "Wild Windellama" by Carina Clarke.

The museum is open on Market Days - every third Sunday of each month, from 9am till 1pm also by arrangement.

Our next meeting will be 11th August 2018 10am at the Museum.

NEW MEMBERS and GUESTS ARE ALWAYS WELCOME

For any enquiries please contact:

Lowline Cattle

A small beefy, Angus derived breed – quite & easy to handle.

Why Lowlines?

MORE BEEF TO THE HECTARE

- ✓ smaller size means easier handling ✓ higher stocking rates
- ✓ low birth-weights ✓ early maturity ✓ compact bodies
- ✓ excellent feed efficiency ✓ less stress on fencing ✓ less soil compaction

Great for first time cattle owners of any age and gender
