Volunteers Wanted

The Windellama CFR (Community First Response) First Aid Unit is wanting new members to give a much needed boost to our Teams' ability to give you the service you are entitled to.

It must be understood that to qualify you must first join the SES (State Emergency Service) and do a certain amount of training under their auspices to enable you to be a CFR member.

The Ambulance Service is responsible for the training as far as CFR unit is concerned.

Both organisations' training is very interesting and rewarding.

The SES has invested a lot of money to start this unit, as has the Ambulance service. SES training is carried out at Lanigan Lane in Goulburn at 6pm-8.30pm each Monday night, except where the Monday is a holiday, and it then becomes the Tuesday night.

CFR training is at the discretion of the Ambulance Service. We also do First Aid for the SES at some other venues.

If you can give a few hours of your time it will be greatly appreciated.

Contact by telephone is to

Kevin on 4844 7143 or

Shirley on 4844 5101 or

Noel on 4844 5407.

Willow Glen Road Gardeners

Our next get together will be at

Meg Thomas

1112 Bullamalita Road

** on Tuesday 4th May starting at 10am.

Any who are interested in gardening & wanting some tips on how to garden in our area with all its variances are most welcome.

This get together is for males & females and is more than just an excuse for a cuppa and some cake.

There is no formal meeting or joining up; but please bring a plate for morning tea to share with you when you come.

If you can please bring some cuttings or seeds to swap.

For any information you can phone Warren Yates on 4844 5350.

Windellama SES First Aid & CFR

Another eventful month has gone. We, as C.F.R. members, have had 3 callouts so far this month.

It is with regret that I have to inform you that Graeme Mc Farlane has had to leave the district, and in doing so, has had to leave the C.F.R. unit, He is however still part of our First Aid team.

Ken Stevens has also left our unit due to medical reasons, He is also still a member of our First Aid team.

We fortunately have a replacement being trained as I type this report, his name will be given at a later date.

This brings me to the same old evergreen., There are people in our district who could make our load a bit lighter, so for goodness sake, come out of the woodwork, and join up.

The visit to Windellama by the N.E.T.S. organisation was of significant importance to us, in several ways, as it gave the people of this district a chance to get to know what they are all about, that is those of you who chose to attend the day. Please pass the information on to your friends, as an awful lot of people in this State will have to call on this group of dedicated team of volunteers at some time in the future.

Special thanks must go Shirley Cornish, who organised the catering side of things, she was of course helped on the day by willing workers. I looked after the logistical side of the event and was helped by some willing hands.

Windellama School people, Progress assoc, Wind Garden club, Tarago and Wind, R.F.S Historical Soc, and not to forget Andrew, who had the grounds looking so good, and the Landcare Group also lent a hand, many thanks to you all.

Team work at it's best, and that is exactly how the S.E.S. works.

From Kevin Muffet.

Windellama S.E.S. C.F.R team.

Windellama Garden Club

Our last meeting and day out was at the home of John and Sandy Marshall. We had a most enjoyable day looking at her clever work in her garden and enjoyed a lovely lunch.

By the time you are reading this our trip to Braidwood, to a Braidwood Garden Club member's garden will be over, but I'm sure we will have had a great day with lots of cuttings and gardening talk.

We were saddened to hear of the passing of one of our life and former members Betty Schutterups at Berry. Our sympathy to Marten and all her family.

Our next meeting will be at Colleen Ellis' home on 12th May.
