The get togethers are held at The Goulburn Workers Club on the 2nd Thursday of each month at 10:30am – please check at Reception as to which room the meeting will be held in.

All interested parties are welcome to attend our get togethers.

DID YOU KNOW?

At The Goulburn Base Hospital there is a wonderful *Next of Kin Room*.

This was set up by the Goulburn Branch of The Australian Red Cross to be used by relatives of patients in intensive care and / or emergency who live out of town.

Thanks to a legacy left to us by Miss Edna Landrigan, who joined Red Cross in 1936 and retired in 2001 aged 93, this project was able to be undertaken.

The room has been beautifully furnished and has two beds, a fridge, tea & coffee making facilities and its own bathroom. There will soon be a TV and microwave.

The peaceful feeling of this room has been much appreciated by those who have used it, who say it is so nice to have such a space to go to during a time of personal crisis.

If you wish to use the room enquire at reception at the hospital re availability of the accommodation. A donation towards its upkeep would be gratefully accepted.

If you have any questions please feel free to contact me on 4844 5518 or email dlaughtane@smartchat.net.au.

Marianne Ronayne, Hon. President,
Goulburn Red Cross

With Sympathy

The community's thoughts are with Sue Roberts and her family at this time with the passing of her mother Fay Kellond on Saturday 19th August.

Many in the community extend their sincere wishes of condolence.

Library Closure

Goulburn, Crookwell and Yass Libraries will be closed on Monday 25th September.

To ensure that Southern Tablelands Regional Library (STRL) clients receive the best possible service, all library staff will be attending a one day training course on this date. As STRL staff work at different locations they do not get the opportunity to train together as one group. We hope that our library users will understand how valuable it will be for all library staff to work together on this one occasion. We apologise for the inconvenience to library users but hope that members will benefit from improved library service as a result.

**** Goulburn Storytime has been cancelled for **
Tuesday 5th September only.**

Storytime for pre-school age children is held weekly during school terms.

Police News

Sorry I haven't written for while but everything's been go, go, go. We have had some really good results lately. The best of all was the charging of a 26 year old male for the break and enter at the Tarago Service Station. He has already pleaded guilty and given a custodial sentence.

I have also charged a 50 year old male for another break and enter in town. He is going to Court later this month. Also a 14 year old male was cautioned and a 35 year old man charged with stealing on Braidwood Road. These are some really fantastic results for the area.

On a different note the NSW Police have released a new farm security assessment form. I have copies of this form available for anyone that wants one. If I am available I can also come out to your property to assist you in completing the form. Just give me a ring if you want a form or me to come out.

If you have any queries or problems don't hesitate to give me a call on 4849 4411 or pay me a visit any-time. Remember you can now leave a message.

Yours in Policing,
Glenn 'Butch' Cassidy

Vale Ernest Leonard Haylan

Our dear Grandpa, Ernest Leonard Haylan, 'Len', was born in Woodstock on August 7, 1917 and died August 1, 2006 in his 89th year.

He was the fourth of eight children of Edward William and Sarah Jane Haylan, having 3 brothers and 4 sisters. The family lived at Woodstock and grandpa attended Woodstock and Blossom Vale public schools. Blossom Vale was a small school of about 12 students. He played football for Woodstock and has always had a passion for the game. After leaving school at age 14 he worked as a farmhand in Woodstock and then as a contract worker.

In 1941 at Kempsey NSW Grandpa enlisted in the Australian Army and served in the 106th Australian Tank Attack Regiment in New Guinea. He served his country proud and in 1946 left the Australian Army.

Grandpa met his loving wife, our grandma Nancy Barton at St. Marys, where both their families lived, and in 1951 they were married. They had three children, two sons Bruce, our father Daryl, and a daughter Glenda, of whom they are very proud.

In 1959 Grandpa drew a *soldiers settlers block* at Tarago. They built a home and established the farm that is 'Kywong'. Life was never easy at Kywong but Grandpa never complained and faced every hardship head on. They watched their children grow there and have many happy memories of their life on the farm and married life together for the past 55 years.

Grandpa lived on the farm until 2004 when he retired and purchased a nice home in Harden on a large block, where he enjoyed his gardening and shared his vegetables with family and neighbours.

We have fond memories of Grandpa and his farm he was so proud of. Helen helping plant the trees that are now so tall; collecting pine cones for Grandpa to start the fire; collecting eggs; (shearing season was one of my favourite times and I was probably more of a hindrance than help); riding on the back of the truck through the paddocks; checking the boundary fences on his motorbike. Grandpa would read us the messages the fairies had written on the 'squiggly gums' and watching his beloved South Sydney play football. But most of all we remember at the end of the day when the work was done he would sit on the back verandah overlooking the paddocks and have a cold Tooheys.

Uncle Bruce now runs Kywong and has made Grandpa so happy knowing that the farm is in such good hands.

Grandpa in his last days told us of dreams he had of being on the farm again, his memory will be with us for the rest of our lives.

As we lay him to rest we honour our dear Grandpa.

Helen Sheather & Kristy Haylan
