RFS AWARD PRESENTATION

On the 28th May the Windellama RFS held a presentation of awards for those firefighters of Windellama who selflessly gave of their time and effort to help quell the 2019-20 firestorm that engulfed the South Eastern Area of NSW.

The RFS Zone Commander presented the **National Emergency Medal** to the following volunteer firefighters:

Paul Allesi	Sharon Ellesi	Wayne Back	Murray Browne	Michael Gazzard	Doug Gurney
Daniel Hansen	Tracey Keenan	Michael Lees	Bev McGaw	Danny McGaw	Scott Molloy
Peter Pokorny	Brett Roberts	Doug Rollinson	Brendon Shannon	Thomas Shannon	Michael Still
Kym Wake					

The 19 award winners did 563 fire fighting days; to mention just some, Paul Alessi 61 days, Brendan Shannon 56 days, Tom Shannon 56 days, Scott Molloy 57 days and Murray Brown 51 days

Also involved in the ceremony was the awarding of Windellama Firefighter of the Year 2022 to Senior Deputy Brendon Shannon. A very well-deserved recognition of his efforts during the year.

To the Awardees, not only congratulations from the community, but an overwhelming **thank you** for your tremendous and unselfish actions during a time of great adversity.

Windellama Rural Fire Brigade

CONGRATULATIONS. Nineteen Windellama members who had contributed to the unprecedented 2019–2020 bushfire crisis were presented with the National Emergency Medal by NSW RFS Superintendent Peter Alley and RFS Group Captain Des Kingston on behalf of His Excellency, the Governor General of the Commonwealth of Australia David Hurley.

The medal is recognition, "on behalf of all Australians", for the outstanding contribution of Windellama Rural Fire Brigade volunteers who "provided sustained and significant response to a declared nationally significant emergency".

The following Windellama brigade members were awarded National Emergency Medals:

Paul Alessi,	Tracey Keenan	Brett Roberts
Sharon Alessi	Michael Lees	Brendan Shannon
Wayne Back,	Bev McGaw	Thomas Shannon
Murray Browne	Danny McGaw	Mick Still
Michael Gazzard	Scott Molloy	Kym Wake
Doug Gurney	Peter Pokorny	
Daniel Hansen	Doug Rollinson	

Annual General Meeting. The brigade held its annual general meeting at the end of May. Congratulations to the following members on being elected to the brigade's leadership positions for 2022/23:

- President – Rex Hockey
- Treasurer – Kym Wake
- Secretary – Peter Pokorny
- Captain – Brett Roberts
- Senior Deputy Captain – Brendan Shannon
- Deputy Captains – Paul Alessi, Wayne Back, Thomas Shannon and Scott Molloy

The Annual general meeting is also a time for the brigade to recognise those who have made a significant contribution to the brigade during the year.

Well done to the following 2021/22 Brigade award recipients:

- Firefighter of the year – Brendan Shannon
- Above and beyond award – Peter Pokorny
- Above and beyond award – Scott Molloy
- Above and Beyond Award – Thomas Shannon

June in Your Garden

By Irene Turner

June is a good month to trim and tidy up shrubs, rake up leaves and put them In the compost heap. If you are starting a compost heap spread the material to a depth of 20cm. then give a heavy dressing of agricultural lime and old animal manure or complete fertilizer, then cover with a thin layer of topsoil, let the heap build up to a depth of 1m. If you turn the heap regularly this breaks down the compost faster. I don`t turn my compost, but try and keep it moist, not a problem at the moment.

This is the month new seasons roses appear in local nurseries. You can move or plant roses this month, trim the canes back and tease the roots out when you are re-planting, do not cover over the graft.

Fruit trees can be planted out this month , be aware that some need a pollinators, such as apples, pears, cherries, most plums some varieties of peach and almonds. Ask at the nurseries when you buy them, you can plant two tree in one hole if you haven`t enough space.

Most of the people I have been talking to have had, apple scab, and also fruit fly grub. Because of the wet weather and the trees bushes up with too much leaves, there has been, not much air space, which causes all sorts of problems, plus the wet weather spraying just washes off.

INSECT TRAP;- 1 CUP OF KERSOENE TO A BUCKET OF HOT WATER ; 1 CAKE OF PURE SOAP GRATED.

MIX ALL THE INGREDIENTS TOGETHER;- Soak around a potato bag and wrap around tree, fold the edge over tie around the tree. Leave for a year, then replace.

For the fruit fly try placing fruit fly traps.

VEGETABLES;- SOW ONLY BROAD BEANS, PEAS AND ONIONS SEEDLINGS.

Also plant rhubarb crowns , and divide your strawberry plants.

FLOWER;- Seedling which are planted now will start flowering in spring. Stock, pansy, viola, primula, wallflower, Russell lupins, delphiniums, foxgloves, Iceland poppies, sweet Williams and calendula.

This month if there are any gardens which aren`t being used, turn the soil over regularly roughly to open it up. The frosts sweeten the soil, for spring planting.

THINGS TO DO NOW;-

Take hardwood cuttings from deciduous shrubs, and roses, and hydrangeas.

Water flower seedlings in the morning, so the leaves and roots dry before nightfall, if we don`t have any more rain.

Winter is a good time to clean and sharpen your garden tools.

Spread blood and bone around flowering natives, giving it time to break down and release its goodness .

April 2022 Rainfall

We received an additional drop of 40.5 mm of rain for April giving us a total of 95.5 mm for the month.

A few good things about all the rain are longer showers when the rain is tumbling down.

We don't have to purchase water, especially since the cost of living has gone up.

Plenty of grass for the grass eaters and less need for hay.

May 2022 Rainfall

Up to the 18th of this month we have received 60.5 mm of rain. After a dry start for this month and a very noticeable frost on the morning of 9th May, the leather boots went on but not for long because a few small drops of rain had water laying every where.

Fruit Trees

The pruning of fruit trees is 95% completed and now waiting for final leaf drop to finish tidying up the last limb removal consisting of all low branches, broken bits and pieces and anything crossing over. Might be just my imagination, but leaf drop in our fruit trees seems to be taking forever.

Vegetable Garden

The Broad Beans planted are progressing satisfactory, although growth has slowed a little. Now that we have a few sunny days I have been dusting the Brassicas with powdered Dolomite, seems to be deterring (upsetting) the green grubs and more than likely doing the soil good.

When Jack visited on the 9th of this month he put an end to the Zucchinis, so I don't have to worry about powdery mildew any more. Not that I had much. The organic fungal spray I use works well.

Flower Gardens

The mass planting of Dahlias we had ended up the same as the Zucchinis did so now I will have to start cutting them back. I did not think they were ever going to stop flowering this year but they have now!

The winter roses – Hellebores are sending up new shoots and if like us you have them planted, now is the time to remove all the old growth to allow the new growth take over. Also, a lite feed of Dolomite will not go a stray. A couple of weeks later start a fertiliser regime using any type of fertiliser. I've been using any fertiliser I have available, mainly liquid for good results.

Some of our roses that have not done well will be replaced. However, it is difficult to simply remove a rose and plant a new rose in it's place because of what they call rose die-back. I don't think anyone really knows why the replacement rose doesn't perform but from my experience they don't.

So I'm going to remove the existing rose and dig a big hole where the existing rose was. The soil removed will be used elsewhere. Some suggest that all the existing rose roots also need also to be removed. I propose to leave the hole for 4-6 weeks before planting the new rose. Before planting I will purchase some new soil and compost and place into the hole and then plant the new rose into this mix and at the same time cross my fingers that it works. If the roses fail, a different flowering shrub will replace them!

Don't be in a hurry to prune your Roses, wait to early August.

Bird Life

This week a large flock of Black Cockatoos flew over consisting of several birds. I nearly missed them as their usual call was absent.

Meeting

At our last meeting in April due to falling numbers we continued discussion on future direction.

Clarice with her 2nd Prize certificate for Chocolate Cake, Photo by Leanne Lourigan

The CWA's Tarago Branch held their May meeting on the 11th. Virginia was able to attend and it was great to see her in town.

100 YEAR STATE CONFERENCE

Held at Royal Randwick, the two Jens, as delegates travelled via the train to Sydney for the Conference. Accommodation was close to the light rail, so travel each day was just 3 stops to get to and from.

There were some interesting and controversial topics/motions during the conference. Guest speakers were Layne Beachley and Shane Fitzsimmons.

Our very own Clarice Beileiter came 2nd in the CWA State Land Cookery Chocolate Cake competition.

MORNING TEA ROSTER

Morning Teas are back on the agenda and Donna and Jenni kicked it off for the May meeting. The Roster has been sent out, but if you are unable to do it, let us all know and we can do a shuffle.

AGRICULTURE & ENVIRONMENT Report Australia's Household Waste Problem (part 3)

Refuse and Reduce

Simple ways to reduce the amount of waste we produce include:

- Buy less. Plan meals so that only enough food is purchased and there is less waste. When shopping for items such as clothes ask yourself if you really need it. Otherwise don't buy it.
- Buy quality items that will last, if you can, rather than cheap items that will quickly wear out and be thrown into landfill. Or buy second hand clothes. There are often very good quality clothes for sale.
- Consider buying goods in bulk and sharing the cost with family or friends if you can't use it all.
- Find package-free or low-packaging items. Especially avoid non-compostable plastic wrapping and polystyrene trays. It can be difficult as sometimes they are the only option available. You may consider changing where you shop or contacting the store's management to ask them to limit the excess packaging as much as possible.
- Refuse single use items as much as possible. Six out of eight Australian states and territories have already committed to ban many single-use plastics by 2030. Don't buy bottled water – take your own water from home in a quality reusable bottle.
- Change to electronic mail as much as possible to reduce the amount of paper used.

Goulburn Mulwaree Award

Nominations can now be made for the Goulburn Mulwaree Award. This local award is designed to recognise outstanding service or meritorious achievement by individuals to the community of the Goulburn Mulwaree Local Government area.

Anyone can nominate someone to be recognised and nominations can be submitted throughout the year. Announcements and presentations of this award will be held on the 14th March each year in conjunction with Goulburn's birthday. Nominations are assessed by the Mayor, Deputy Mayor as well as five independent community representatives, who will be appointed by Council at the beginning of each Council term.

Who is eligible for a nomination?

To be considered for the award you need to be a resident within the Goulburn Mulwaree LGA.

How nominations are considered?

Nominations are assessed on individual merit. This includes

- Demonstrated achievement at a high level
- Have made a contribution over and above what might be reasonably expected through paid employment.

Or have made a voluntary contribution to the community which stands out from other volunteers.

How to submit a nomination

Complete the online form or download the nomination form. Nominations can be left with the Goulburn Mulwaree Councils Customer Service section or posted to Goulburn Mulwaree Council addressed to:

Office to the Mayor Locked bag 22 Goulburn NSW 2580
or submitted via email to:

council@goulburn.nsw.gov.au marked attention of the Mayor's Office.

BUS TRIPS

May's trip was to Bowral - a visit to Dirty Jane's again, followed by lunch at the Royal Hotel and some shopping, then onto Harris Farm Markets for fruit and veges, such a large Market! For June, we are planning for Fish & Chips at Bateman's Bay !

You do not have to be a CWA member to come on our bus trips. Held once a month on the 3rd Thursday. Contact Jenni Cole for further details.

INTERNATIONAL Report

The country of study for the 2022-2023 year is LATVIA.

Latvia was its own self-governing country until the end of World War 2, with Estonia to the north and Lithuania to the south. From the older map I'm looking at, Poland and the countries of central Europe are south of these three small Baltic countries (now called states under the governorship of the Soviet Socialist Republic). The countries to the south-west are Belarus and then Ukraine. The eastern border is part of the Baltic Sea with Sweden and Finland on the other side of the water.

Each of these countries has its own cuisine, music, dances, architecture, festivals, painting, decorating and other cultural matters. A lot of those will have changed under a different large government. Now we will be finding out what is truly Latvian from people who have migrated and made friends here. I have met a very skilled artistic Estonian woman in the Adelaide Hills and have seen the work of a dedicated and brilliant photographer of wild and mountainous country in Tasmania. The information is out there.

The migrants from these neighbours of Latvia have brought their gifts to our country. I know that many of you will have come across some people of Latvian heritage so please let me know or introduce me. Text or voice message are usually best to Anne on mobile 0427 494 577.

TARAGO AREA WOMEN'S SHED
ESTD 2022

There has been a hive of activity at the pavilion, the home of the Sheddies, with lots to catch up on from collecting donations, hanging curtains, setting up equipment & our first two workshops. We now have a suggestion barrel on the sign-in table, any members please feel free to add ideas as they come to you.

Thank You to Tarago Men's Shed, Tuggeranong Men's Shed and Giralang-Kaleen Men's Shed for their recent donations and Terry, Doug & Rob for collecting donations & assistance in helping setup.

We are over the moon to have Kerrie join the team as a new committee member for TAWS, coming on to help with safety & all things TAWS.

It has been fun mingling at the Loaded Dog at Friday night raffles, selling tickets for proceeds to go to TAWS. Thank you for all who have supported us buying tickets and having a chat about the shed and to Tim & Alanna for the opportunity to raise some funds for our equipment & future endeavours.

A big thank you to Robyn, Kerrie and Donna who manned our tea / coffee / cake & slice/ pumpkin soup station at the rather cold recent Market In Tarago. Also thank you to all the members who supplied delicious products for the day, and to the locals for all your purchases.

John and Carolyn hosted our May meeting amid the fallen trees and assorted debris caused by a severe storm that ripped through their property a few days earlier.

John did a manful job in clearing out the trees and boughs blocking the road in to their house, so we could all arrive safely and not have to be towed out by the tractor, but the evidence of the devastation was apparent, as large trees were uprooted, boughs broken on others and leaves generally scattered about. The fact that all of the wet weather had saturated the soil added to the problem, as many of the trees were swimming and were easily uprooted by the fierce winds.

Fortunately, the house and buildings were untouched, although there were a few narrow shaves, with some trees falling perilously close to structures.

In stark contrast, the weather was beautiful for our meeting day, at times becoming positively hot in the warm mid to afternoon sun. The gardens around the house were also relatively untouched by the ferocity of the storm, and made a perfect backdrop for our little gathering.

In other gardens, the waterlogging caused by the incessant rain has resulted in limited tomato harvests for many of our members, as well as damaging the roses, with blooms being affected and numerous outbreaks of black spot.

Those of us wishing to get out in the paddocks and do some weed spraying and slashing will have to wait a little longer, as the risk of getting our tractors bogged is too great to take.

Despite the rainy weather, Anne and Denzil have harvested a good crop of sweet potatoes; Ann and Owen have their fig trees loaded with fruit; Kym has plenty of passionfruit to go around; but the birds got Eileen and Lloyd's persimmons before they could be harvested.

John has reported sighting feral pigs on his property, which is a bit of a worry. Fortunately they

have not trespassed onto his garden yet, but he will have to keep a wary eye out for them.

Most of us are busy planting winter crops in our vegie gardens or preparing the beds for a spring planting. Others are preserving the fruit and vegies already harvested as well as preparing chutney and relishes.

In other news, Vivien was a notable absentee from our May meeting as she was participating in the Aussie Camino walk in South Australia. This walk is held over several days, with participants covering up to 26 kilometres per day. We are all looking forward to hearing about her experience at our next meeting, and whether her walking shoes survived.

We have welcomed a number of new faces to our recent meetings, as everyone is always welcome. If anyone else would like to come along, you can contact us through Warren and Judy Yates (0438605821) or jawyates@gmail.com.

Sydney Wanderer's Motor Home Group stay at Hall in May

During the month the Sydney Wanterer's motor home group had a meeting at the hall and Brendan and Tom from the Windellama RFS talked to them about safe travelling in fire danger periods and they all all having a go at using and firing off a fire extinguisher.
