St. Bartholomew's Church

A BIG thank you to those volunteers who attended our first working bee at St. Bartholomew's. It was a great day - lots of laughter, jokes and of course hard work.

Our next working bee at St. Bartholomew's will be held on Saturday 10th May starting at 9am. Morning and afternoon tea will be provided but due to the lack of facilities lunch will be BYO.

If you can spend a few hours helping we would be most grateful.

Brigade Auction Day

The rain held off even though it was cool, the crowd was larger than last year. The kitchen was very busy with appetites filled with hot and cold delights. Bargains were had from inside the Hall from stall holders, not to mention the bargains bought at the auction on the oval.
The Windellama Museum was also open to engage those who were taking a break from the auction proceedings.
An appreciative *Thank You* to all those who volunteered their time prior and on the day.

Happy Birthday

To David Edworthy who recently celebrated his 40th year. To help celebrate this event he was joined by a large contingent of family, friends & the community at home.

Windellama SES First Aid

By Graeme McFarlane

Well this month we started our Community First Response training with the ambulance. We trained for six days at the ambulance training room at the Police Academy under Craig Short, a Clinical Training Officer with the NSW Ambulance Service.

It was an excellent course and well presented by our team of instructors. I would like to congratulate all nine members who attended and passed and are now Community First Responders with the NSW Ambulance Service and the SES. Well done to you all, it is a great achievement.

Til next time, stay safe

Windellama Historical Society

The Muffet family exhibition at the Museum continues until July. Exhibits include a number of artefacts collected and used by the Muffet family over the last 120 years.

The Museum has an early cookery book compiled by Emily Gegg, "Mum Gegg" which was donated by Emily's daughter-in-law Dinah Gegg. The recipe book was written about 1910 and is also on display in the Museum.

There will be a working bee on Friday 9 May 2008 starting at 10 am to set up the display panels recently acquired and to reorganize a part of the Museum. If you are able to help, we plan to work into the afternoon so please bring some lunch.

The Museum is open on market days – the third Sunday of each month. Come and see the new machinery shed at the Museum which houses various items of farming equipment including an old wool press.

There is a selection of Windellama local history books and books by local poets for sale in the Museum, as well as bookmarks and postcards with images of early Windellama.

Our next meeting will be at the Museum on Friday 6 June 2008 at 2 pm. New members are welcome.
